**The Bargain Counter at
Weil's Ladies' Store**

We have what we have designated as our "Bargain Counter."

On this counter can be found bargains in yard goods and ready-to-wear garments. The yard goods are just as valuable as those we bought later at higher prices but because we get them cheaper we sell them for less.

The ready-to-wear garments are just a little out of style but despite this fact they are of good material and make excellent wear at home.

You will find the house dresses in prices ranging from 75 cents to \$1.50 and the skirts from 50 cents to \$1.25. Dresses for children from 60 cents to \$1.25.

YARD GOODS.

Lawns 8 to 15 cents, Suitings 25 cents, Gingham 10 to 15 cents, Percales from 10 to 15 cents, Curtain Goods from 12 to 15 cents.

Don't forget to ask for the "Bargain Counter."

**BARACA AND PHILATHEAS
HELD UNION MEETING**

The local Baracas and Philatheas had a union meeting on Sunday afternoon at the Methodist church, to receive reports from the delegates who attended the state convention in Asheville. Miss Mattie Aiken, teacher of the Methodist Baraca class, presided over the meeting.

The program was interesting, containing introductory remarks by the leader and the discussion of various topics suggested by the work of the convention. Those who took part in these discussions as returned delegates were Misses Pearl Faulkner and Elna Stroup; Mrs. J. R. Hamlin and Mrs. M. Q. Bird. D. F. Moore, teacher of the Baptist Philatheas class, made an impressive talk on "How the Baracas and Philatheas can help the church." There was a special song by the Baptist Philatheas and solos by Miss Maude Ellen Pike and E. D. McFaul.

HOUSEWORK IS A BURDEN

Women's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Asheville women. Read what Mrs. C. M. Williams, 29 Central avenue says: "For several years my back was weak until finally I couldn't sweep the floor, walk up or down stairs, or do any housework without suffering greatly. If I bent over I couldn't straighten without putting my hands on something for support. Mornings I was all doubled up with pains and I often had to be helped out of bed. I took a dozen different medicines without the least benefit until I began taking Doan's Kidney Pills. They relieved me of the trouble across my back and a few boxes made a lasting cure. My back is now strong and never pains me at all."

New or renewal subscriptions (beginning January 1) will cost \$1.00 for one year, 60 cents 6 months, 35 cents 3 months, 25 cents for 2 months.

**FOOD EMERGENCY
PROBLEM FOR ALL**

PEOPLE HAVE HAD TOO MUCH OF SPIRIT "LET GEORGE DO IT."

SOME WORK FOR ALL TO DO

List of Recommendations Made to Farmers, Housewives, Gardeners, and Citizens Generally.

Raleigh.—John Paul Lucas, executive secretary of the North Carolina Food Conservation Commission, in reviewing the food situation in this state gave out a lot of good advice in his suggestions of ways every person can help improve the food situation.

Mr. Lucas wrote as follows: Too many of our people are regarding the food emergency, which is really just in its infancy, as a problem for the farmer, the trucker, their neighbor or someone else more or less remote from themselves. There is something of the spirit of "Let George do it." Fortunately, this spirit has been rapidly disappearing and it is not too much to hope that all the people of North Carolina will quickly realize that, while the farmer's responsibility and opportunity are greatest, possibly, each person has an individual duty and responsibility.

A large number of people who realize their individual responsibility have asked themselves and others, "What can I do?" In answer to this question and for the information of others who may have given the matter no thought I am giving below a list of recommendations that are being made to farmer, housewife, gardener and citizen generally. I can think of no one in any position or condition to whom some of these suggestions are not applicable. Here they are:

Cultivate and fertilize every available foot of tillable land that you can possibly take care of. Cultivate more carefully and fertilize more heavily than under normal circumstances.

Put stable land in corn, soy beans, peas, potatoes or sorghum as soon as the grain is off. Here lies one of our greatest opportunities for increasing the acreage in food and feed crops.

Where there is a poor stand of cotton replant with soy beans or peas. Also plant these crops in corn.

Save all the clover and vetch seed possible. Both are going to be unusually scarce and high priced. Vetch can be threshed with oats or by themselves. If you don't know how to harvest clover seed write the U. S. Department of Agriculture for Farmers' Bulletin No. 656.

Breed all sows and gilts for fall pigs and be sure to raise sufficient feed for them—in the form of pastures principally. Raise meat not only for your own demands but for the market. Prices are sky-high.

Raise all the chickens you can, whether you live in the country or in town. Shut up the rooks and cock-crows and preserve your surplus eggs in water glass solution.

Raise and eat all the fresh vegetables you can and can all the surplus you can't eat. See that every glass jar is filled with vegetables and fruits and if you still have surplus buy more jars or cans.

Don't throw away scraps of meat and fat. Use meat in soup, hash, croquets, and fats for frying and shortening.

Cook potatoes in the peel. Tests have shown that 20 per cent is lost when potatoes are peeled before cooking.

Don't waste bits of bread. Use them in puddings or in dressings for meat. Don't despise skim milk and butter-milk. They have a high food value and are generally cheap. Use them largely, especially for children.

See that all labor as well as food-stuffs is properly used. The farmers are handicapped for lack of labor. The people of town and city must see that available labor of men and boys is offered to the farmers. This service is just as patriotic and effective as that of the boys who don their uniforms and shoulder their rifles.

Freight Claim Office at Charlotte, Washington.—To bring the freight claim department of the Southern Railway System more closely in touch with the shipping public to the end that quicker action may be had in the adjustment of freight claims, a central freight claim office will be established at Chattanooga, Tenn., effective June 1, with branch freight claim offices at Charlotte, N. C., Atlanta, Ga., New Orleans, La., and Louisville, Ky. The present freight claim offices at Washington, D. C., and Cincinnati, Ohio, will be continued.

Orphans' Home to Celebrate. Goldsboro.—One June 11th, the children of the Orphan Home are going to give in Goldsboro a magnificent musical concert in celebration of the twenty-fifth anniversary of the establishment of their home—the Old Fellows Orphans' Home at Goldsboro. On the 10th day of May, twenty-five years ago, there was established in Goldsboro by the Old Fellows of the State of North Carolina the Old Fellows' Orphan Home for the care, maintenance and education of the orphan children of Old Fellows.
