BREVARD GRADED SCHOOL

What do the patrons, trustees and citizens of Brevard township think of the advisability of trying to better the facilities for education in Brevard? How would a bond issue appeal to the people of Brevard for a new school building, costing approximately \$30,000? The children need more room, and better equipment. How shall we provide it? Let us hear in the next Brevard News.

A. F. MITCHELL, County Superintendent.

REGISTRATION OF WOMEN COMPLETED ON FAIR DAY

Date of Registration Changed, Making October 24-31 Registration Week—Church Announcements of Committee Appointments Asked For.

Next Wednesday, Oct. 24th, will be Registration Day for women in Transylvania. On that day the school buildings of the state will be open from 9 a. m. to 4 p. m. for the Food Campaign and also for the registration of all women who are loyal to America, without any age limit.

It has been decided by the woman's committee of the council for Nation Defense to make October 24-31 inclusive Registration Week. The pastors of churches, or Sunday school superintendents where no church services are held on the 24th, are requested on that day to appoint one woman from each church to assist the teachers in registration. The teachers are also asked to bring registration blanks to Brevard on October 31, as the Fair day will offer a good opportunity for registering.

Miss Georgia Bell is chairman of the registration committee and will furnish the blanks to the teachers.

The purpose of this registration is to secure a record of the woman-power of the country, but it is purely voluntary, and no woman will be asked for service outside her home unless she so desires. However, it will place trained women who can volunteer for service in line for good positions, and will provide training classes for others where there is a demand for it. It is earnestly hoped that every woman will go to her nearest school building and state what work she can do best, no matter how humble it may be; so that our country will go on record with a big registration of its loyal and patriotic women.

COMMITTEES ON ARRANGEMENTS

A committee of ladies to look after the fancy work and culinary exhibits of the coming fair is composed of: Mrs. Z. W. Nichols, Mrs. W. H. Allison, Mrs. T. E. Patton, Miss Georgia Bell and Miss Annie Gash. The live stock and agricultural committee consists of T. T. Patton, R. R. Deaver and W. H. Duckworth.

QUESTIONS AND ANSWERS ABOUT LIBERTY BONDS

Q. When I lend my money to the United States Government, what do I get in return?

A. You get a promissory note given by the United States Government and bearing interest. This note is called a "bond."

Q. What, then, is a United States Government bond?

A. It is the direct and unconditional promise of the United States of America to pay upon a certain date a specified sum of money in gold, together with interest at a specific rate, payable at specific date until the bond matures, or is called for redemption.

Q. In what form is this promise?

A. It is engraved upon a sheet of distinctive paper used only for money and securities of the United States, and is executed by the Secretary of the Treasury and by the Registrar of the Treasury and sealed with the Treasury Department seal.

Q. When are bonds of the Second Liberty Loan dated?

A. November 15, 1917, is the date they will bear, because that is the date on which they will be issued by the Government and the date on which interest begins.

Q. When will these bonds be paid by the Government; that is, when will they become due?

A. November 15, 1942; but the Government has the right to pay them any time after 10 years from date of the bond.

Q. Do I have to hold my bond until the date it is due before I get my money back?

A. No; you can sell your bond any time you desire. There is always a ready market for United States Government bonds.

Q. How can such a sale be made?

A. Any bank, trust company, reliable bond dealer, or broker will be glad to sell your bond for you at any time.

Q. If necessary, could I borrow money on these bonds?

A. Yes; United States Government bonds are the best security which can be offered in borrowing money. They will obtain for you the best terms possible. Ask any bank if you desire to borrow money on your liberty bonds.

Q. Do I get any interest on my money while it is loaned to my Government?

A. Yes; the Government will pay you interest at the rate of 4 per cent a year.

Q. How do I collect the interest?

A. Attached to each bond is an engraved sheet of interest coupons one for each six months' period. When the interest date arrives you cut off the interest coupon of that date and take it to any bank, where it may be cashed or deposited.

Q. How often do I get this interest?

A. Every six months. This interest will be paid to you every May 15 and every November 15 during the life of the bond.

Q. Is there any way I can collect my interest without having to cut the coupons?

A. Yes; you can get the Government to give you a "registered" bond; that is, a bond without any coupons attached and with your name written on the bond; and each six months, as the interest falls due, the Treasury Department will send you a check in payment of the interest.

DEATH OF W. W. SINGLETON AT PISGAH FOREST TUESDAY

W. W. Singleton died suddenly at his home at Pisgah Forest Tuesday morning. For a long time he had been afflicted with an organic disease of the heart, but had been, for the past two weeks, in seemingly good condition. His death, which occurred shortly after breakfast time, was almost without warning.

The interment was made at Mount Moriah cemetery near Calverton, and the services were conducted by Rev. John K. Hay.

Mr. Singleton was a native of Haywood county. He came to Rosman several years ago and served as policeman in that town. Later his services were sought as chief of police in Brevard, where he lived a few years.

Though in rapidly failing health, he was recognized as an officer of ability, and on giving up his work in Brevard accepted the position of policeman at Pisgah Forest.

Mr. Singleton was a member of the Davidson River Presbyterian church, having joined at the close of the recent revival there.

He is survived by his widow and four children.
