CORTRIGHT
Metal Shingles

The roofing that lasts as long as the building and never needs repairs. They won't burn, crack, curl or rot like wood shingles, nor have they the great weight or brittleness of stone slate; besides they are inexpensive and look better than either.

REVOLT IN THE IMPERIAL NAVY

FEW DISPATCHES HAVE CREATED MORE INTEREST IN OFFICIAL WASHINGTON.

Indicates That Iron Discipline of German Military System Might Be Losing Its Hold.—Declining Morale is Noted by Allies.

Washington.—Few dispatches since the war began have created more interest in the navy department than the reports from Amsterdam telling of a revolt in the German navy. Officers unhesitatingly declared that the story was one of the most encouraging signs of the year for the allies and probably one of the most ominous from the German view. They pointed out that while the allied powers have noted repeatedly recently in their official statements that the morale of the German troops was declining, and observers have believed that the end would come in food and labor riots or perhaps in a political revolt.
