BREVARD, NORTH CAROLINA, FRIDAY, NOVEMBER 9, 1917.

NUMBER—45

## ELEVEN MEN LEAVE FOR CAMP JACKSON

**Original Thirteen Reduced By Excuse of One Man and Unexplained Absence of Another—Twins Seek Not to Be Separated.**

Eleven men out of the thirteen ordered to report Monday to the local exemption board left Tuesday for Camp Jackson. Osse E. Merrill was temporarily excused on account of the critical illness of his mother. The other man absent from the departing contingent was Charles H. Stinton, who failed to report. The local board desires any information that can be given concerning his whereabouts, such information being a kindness to the board and to the missing man himself.

The eleven, having been presented with comfort kits prepared by the National League of Women's Service, left on the 8:50 train Tuesday morning, apparently in the best of spirits.

An unusual incident took place in connection with the present draft. Fred McCall, a twin brother of Frank McCall, one of the drafted men, accompanied the latter when he came to report and besought the local board to allow him to go with his brother to camp. The twins resembled each other very much and were dressed alike to minute details. Hard as was the duty for the board, the request had to be refused.

## U. D. C. ELECT OFFICERS FOR THE COMING YEAR

At the meeting of the U. D. C. last Saturday the following officers were elected:

Miss Annie Gash, president; Mrs. O. L. Erwin, first vice president; Miss Mand Allison, second vice president; Mrs. T. E. Patton, jr., secretary; Miss Margaret Deaver, registrar; Miss Margaret Brees, treasurer and librarian; Miss Martha Boswell, historian; Rev. C. D. Chapman, honorary chaplain.

It was requested at the recent state convention held at Kinston that the regular monthly meetings of all the chapters throughout the state begin with a prayer especially for our boys in the army and at the front.

## DEATH OF L. C. TINSLEY

L. C. Tinsley died Tuesday, after about a week's illness. His death was the result of meningitis following an attack of pneumonia.

Mr. Tinsley was in his 39th year, was the father of ten children, several of whom are still living, and had been a member of the Presbyterian church for 17 years.

Funeral services were held Wednesday afternoon at the home near Mount Surprise. In the absence of Rev. J. R. Hay the services were conducted by Rev. W. E. Poovey.

The burial took place at Oak Grove cemetery and was made according to the rite of the Junior Order, of which Mr. Tinsley was an honorary member.

## TO THE TEACHERS

It would be greatly appreciated if all the public school teachers who have not as yet sent in their census of the adult literates would do so at once. Further, return in any other reports that are behind. The law requires all monthly reports to be in before vouchers are approved for payment, so please bear this in mind.

The compulsory law is being carried out now in nearly all districts, and I desire that it be carried out in all as nearly as possible. Please do all in your power to enforce it, and many thanks.

A. F. MITCHELL,  
County Superintendent.

## A LONG PEDIGREE BRINGS A HIGH PRICE

There are not many men and women in this county, it may be safely said, who can boast of a pedigree clearly traceable for five generations, but this boast can be truthfully made by Rose Donald. Being a modest female and not given to blowing her own horn, she leaves to others the work of singing her praises. Her pedigree table shows not only the names of her father and mother—which is about as far as many can go—but also of her four grandparents, her eight great-grandparents, her sixteen great-great-grandparents, and all of them the best blood of a noble family.

But who is Rose Donald? She is a thoroughbred Hereford heifer, just budding into cowhood, and she took a first prize at the county fair. She was bought April 4, 1916 by Thos. H. Shipman from G. C. McBee of Straw Plains, Tenn. Her parents were Earl Donald and Prime Lady. When Mr. Shipman bought her she was only a calf, but her purchase price was \$23, which he paid with the calm confidence of foresight.

That this confidence was justified, as well as the confidence of all other dealers in pure thoroughbreds, may be seen from the transaction that took place on October 30, the day before the fair. On that day Mr. Shipman sold Rose Donald, good will, prospective maternity and all to Volney Owen of Lake Toxaway for the sum of \$255.

On the next day—the great fair day—Rose Donald stood in her stall, gazed at by hundreds of admirers, her native white and red made national and patriotic by the blue ribbon that announced her standing in the opinion of the judges, and Mr. Owen was rejoicing in a trade that somewhat diminished his bank account but greatly increased his prospects as a cattle raiser.

Mr. Owen is no novice in this industry, having spent several years of his life in Colorado in this very business. He now has a registered Hereford bull on his farm in the White Water section, where he will carry on the business of raising thoroughbred cattle.

## FINANCIAL STATEMENT OF RED CROSS TREASURER

Membership dues received to date.....	\$181.00
Contributions.....	347.47
Total.....	\$528.47
Expenditures for chapter supplies to date.....	8 25.39
Expenditures for work room supplies.....	125.06
Membership dues sent Washington.....	91.50
Total.....	\$241.95

This leaves a balance of \$286.52, out of which we must pay something over \$200.00 for supplies already in our work room. This will leave a balance of approximately \$75.00, while we need other supplies amounting to far more than this.

TREASURER

## MR. JONES' EYES CAUSE LOSS OF COMMISSION

The many friends of Ora L. Jones, former editor of the News, will regret to learn that owing to trouble with his eyes he has been forced to resign as a student at the Reserve Officers Training Camp at Ft. Oglethorpe, Ga., thus losing his chance to win a commission in the Reserve Army. Mr. Jones has joined his wife, now on a visit to relatives in the eastern part of the state. As yet he has made no plans for the future.

Renew before expiration.

## RED CROSS DELEGATES' VIEWS ON CONVENTION

**Delegates Return From Convention With Increased Zeal for Work—N. C. Women Do Acceptable Work in Preparation of Supplies—The Need Great and Imminent.**

Among the 500 delegates to the state Red Cross convention held at Raleigh on Thursday and Friday of last week, there were four representatives from Transylvania—Mrs. C. M. Doyle, Mrs. T. E. Patton, jr., Mrs. H. N. Carrier and Rev. J. P. Hay. They returned with a deeper understanding of the meaning of the work and of the urgent need for more work still to be done, and done now before it is too late. They expressed themselves as having a quickened sense of the realization that some of our boys are now suffering for lack of a piece of gauze to staunch their wounds, because we, perhaps you—let mere selfish pleasure take up your time.

As reported by the delegates, P. M. Hopkins, of the supply department in Atlanta, said that 99 percent of the work done by the women of North Carolina was acceptable. There was a grave suspicion that assertions to the contrary sprang from German propaganda at work everywhere, and such slanderous stories must be hunted down and their origin located. The machines now working day and night to produce sweaters, gauze dressing, etc., fail to supply the demand; more machines cannot be made, for the factories are now making guns; therefore the women must sacrifice many things to make up the deficiency.

Another address reported was that of Governor Beckett who said that this is primarily a woman's war. In the outcome of it rests the fate of women—whether they shall have the place due them or be ground under the heel of a despot and suffer what cannot even be imagined.

The work of the civilian relief committee was emphasized, since the morale of our army is helped by knowing that the folks at home are being cared for.

There were 200 chapters on January 1; now there are 3,000.

It is desired that a Red Cross Christmas tree be in every cantonment, with Christmas packets for 1,700,000 men.

The Red Cross delegates and workers are convinced that common sense is all that is needed in the work. They are nothing but human beings working for the good of other human beings. All red tape that hinders results should be cut, for while we are writing and arguing of how to do, men are dying.

## SERMONS ON PROPHECY

Beginning on Sunday, November 18, Rev. A. W. McDaniel will preach a series of sermons at night services. The general theme for this series will be "The Message of the Ancient Prophets to the Modern World."

Mr. McDaniel has devoted much thought for some time to the study of prophecy and its fulfillment in history, and will give his congregation the fruits of his labor and research.

## FINAL SERVICES BEFORE CONFERENCE

At the Methodist church Sunday night, Rev. W. E. Poovey will have the annual report, to be made to conference, read to the congregation.

Mr. Poovey will leave for conference next Tuesday. His many friends hope for and expect his return to this charge.

Something to sell means something to advertise.

## CALLED MEETING OF FAIR ASSOCIATION

On Thursday, November 15, there will be a meeting at the court house of citizens interested in the county fair association. The meeting is called by C. E. Orr, president of the association, and is for the purpose of electing officers for another year and considering plans for a permanent enterprise. The meeting is called for 1 o'clock.

At this time, the prizes won at the late fair will be distributed to the successful contestants.

## A FINE LECTURE AT AUDITORIUM

Last Friday night at the Auditorium Paul "Sunshine" Dietrick appeared in the second number of the Lyceum course, under the auspices of the U. D. C.

Mr. Dietrick lectured on the subject "A Sacrifice Hit." The lecture was full of good sense and fine idealism, with enough of humor to make his points telling and to justify his state title of "Sunshine."

The U. D. C. was fortunate in having secured this lecture in the course. If the remainder approach it in excellence, those who patronize the Lyceum have a treat in store for the rest of the winter's season.

## QUEBEC QUIRKS

Rev. A. J. Manley filled his regular appointment at Oak Grove Baptist church last Saturday evening and Sunday morning. In the afternoon, Sunday, a prayer meeting was held at the residence of B. O. Thomas.

Miss Maxie Reese, the teacher of the primary grades in Pisgah Forest graded school, was visiting at the home of her parents, Mr. and Mrs. L. E. Reese, last Saturday and Sunday.

L. R. McCall left Quebec on Tuesday of this week for Johnson county where he begins work next Monday. He has a position as principal of a four teacher school at a salary of \$80.00 a month. His brother, C. S. McCall, is teaching in Robeson county. He is principal of a three teacher school and is paid \$70.00 a month.

Mr. and Mrs. Lester Kell, who for some years have been living in the state of Washington, are visiting Mrs. Kell's parents, Mr. and Mrs. H. C. Raines. They expect to remain in the South during the winter.

T. C. Henderson went to Brevard last Saturday and arranged with W. E. Bishop & Co. to install in his house on Island Ford road a bath tub and other necessary bath room fixtures.

Mrs. Lesa Dugden returned from High Point to Quebec last week.

## MATHATASIAN CLUE MEETING

Mrs. Chas. Deaver, was hostess to the club on October 25th, there being a full attendance of club members as well as a number of guests. There were thirty two in all present. The subject for the afternoon was "Conservation of Food." Mrs. F. P. Sledge had charge of subject. Mrs. Wellman, was elected a member. Next meeting to be with Mrs. W. A. Beavans.

## BREVARD INSTITUTE NOTES

Our Halloween party on Saturday night was a great success. The usual witches and ghosts were in evidence and a number of novelties were introduced in the games. Refreshments appropriate to the occasion were served, among them being pumpkin pie.

Jeter Matthews of Asheville spent the week end with friends at the Institute.

Mrs. Carrie Thomas of Spartanburg came for a short visit with her daughter Estelle, at the Institute.

The last month of the first term began Nov. 6th. A number of new pupils registered and others are expected, among them being Roy Moose and John Penninger of Gold Hill.

Among new pupils registering this week are the Misses Adelaide Patton, Otilia Pierson and Ralph Osborne.

Miss Venie Johnson of Fletcher was a guest of Miss Leatherwood for the week end.

## TOWNSEND-BAGWELL

On Sunday, October 28, John Bagwell and Miss Raehael Townsend were married, the ceremony taking place at the home of E. T. Henning, with Mr. Henning officiating as magistrate.

Mr. Bagwell is a well known citizen of this place and a farmer by occupation. The bride was a resident of Penrose and was the sister of the late L. N. Townsend.
