

PATTERSON'S REMOVAL SALE

The Last Sale in the Old Stand

Hendersonville - - - North Carolina

The tremendous thunder of our powerful Bargain Guns has been heard for a radius of 40 miles. We had people come to this sale who were here for the first time. They had never bought goods at Hendersonville. They went off amazed. They were smiling; they were satisfied; for seeing is believing. The people responded. Such wonderful crowds!—everybody carrying huge packages. Sales of this class are not pulled off often. It is unusual. It is different, for it is a Bonafide Straight Reduction Sale. Get a horse—get a mule—fly here! But get here as soon as you can.

Every day as this sale progresses we are cutting prices unmercifully. Our stock consists of clean, crisp merchandise—and then, good people, what gift is more sensible, more serviceable, than something to keep one warm and cozy—something to wear. Now this sale will end Monday, December 24th. You better not wait too long. Come now; plenty of good clerks to wait on you.

LOOK! SEE WHAT YOU CAN GET FOR 10c. Beginning at once and continuing the entire time of sale, regardless of hour or day—in other words, any time you buy to the amount of \$10 or over—we will sell you for 10c (to the ladies) 1 dozen spools of either O. N. T. or Coats' Thread, 200 yards to spool. If you don't care for thread we will sell you a splendid good outing night gown. To the men, for 10c a fine top shirt or a night gown of outing cloth. This is to show our sincere appreciation of your business. **BE HERE**
