FATHERS, MOTHERS AND GOOD PEOPLE=ALL

While sitting around your fireside at night do not forget our boys in the trenches at the front.

While eating your hot meals three times each day do not forget the Boys in France who have only cold snacks in the trenches.

While you are warm and comfortable in your dry clothes, good shoes, heavy socks, and warm gloves do not forget that you can help to get all these to our boys in the trenches and in the camps by doing what you can to help the Red Cross, that great organization which takes the parents' place in supplying the little necessities and comforts to our soldier boys away from home.

While planning to plant and raise the biggest crop you ever grew for the boys at the front, do not forget that you will need good plows good harness, good farming utensils, good paints and perhaps some good furniture and housefurnishings and you can find all these, as well as other bargains, AT BEFORE-THE-WAR-PRICES, at that store run by your friends and called the Farmers Supply Company.

While buying what you need from this firm do not forget that all the members of this firm and every clerk working in our store are members of the Red Cross, and we want all our customers to also join the Red Cross and help the Boys who are fighting and also those who are getting ready to fight for us.

THE SIGN OF THE RED CROSS

Millions and millions of stricken people in devastated Europe must depend on the activity of the Red Cross society alone for the most meager necessities of life—just enough to keep body and soul together. The Red Cross organization is the universal helping hand. But in order to extend this hand to the sorrowing and afflicted, it must have your support. In fact, if you would do your part to relieve the suffering in the world, you can do it most directly and efficiently through the Red Cross. Become a member today. Give one dollar—two dollars—five dollars—as much as you can.

SUPER-ABUNDANCE

Owing to the rush of our Red Cross number, we were compelled to leave out quite a lot of other good matter, among which is an obituary of Mrs. Theo. Reid. We hope to get all this good left over matter in our next issue.
