A BREVARD MAN'S EXPERIENCE

Can you doubt the evidence of this Brevard citizen? You can verify Brevard endorsement. Read this: M. P. Hawkins, farmer, says "Kidney trouble came on me some years ago and I don't know what caused it. I had a dull ache in my back and it was hard for me to stoop or straighten. My kidneys were out of order; they acted too frequently and the secretions were highly colored and painful in passing. I had nervous headaches and felt tired and run down. I finally got Doan's Kidney Pills and began taking them and I was surprised at the quick relief they brought. Continued use entirely cured me." Continued use entirely cured me." 60c. at all dealers. RED CROSS TEA ROOM TO BE OPENED JULY 4

The Red Cross Auxiliary of the Transylvania Chapter U. D. C. will open the Tea Room next Thursday, July 4th, with a sale of home made eatables. The proceeds of this sale

will be used to buy necessities for conducting the Tea Room and as a working capital for "carrying on." A special permit has been obtained from the County Food Commissioner for this benefit sale and no waste is guaranteed. Friends of the Red Cross throughout the county are urged to contribute sandwiches, cookies, pies, tea, lemons or grape juice. Bring in

what you can spare and see what is needed. The room will open at 10 o'clock a. m. All women's organizations of the county are invited to contribute to this equipment—as all will be invited to use it. Anyone offering donations will please telephone the chairman of the Tea Room. Margaret Breese.

UNCLE SI SAYS:

"It is a shame the way some people ride around in a car that needs painting. Anyone who can use a brush can touch up a machine so that it will almost look like new if they use Doyle's Auto Gloss.

Change its color; get out of the Black Class.

It is a mistake to let a house go without paint when it needs it, for paint is no more than one kind of insurance. A house painted makes the owner feel better and should he want to sell, it will sell better and for a better price.

All your stoves should have a coat of black dazzle so that they will not rust. If it is put on now there is little danger of it burning off when set up in the fall, as it will have had time to dry.

If you use Kyanize Floor Enamel your floors will look like new and last much longer to say nothing about it being much easier to clean.

There is no doubt about Kyanize floor and furniture varnish being the best money can buy. We have sold it for five years and everyone has been satisfied with the results.
