Number 28.

NO LIMIT ON SUGAR FOR CANNING ETC.

Inquiries to County Food Administrator Thos. H. Shipman indicate that a number of good housewives do not thoroughly understand the regulations governing the use of sugar for canning and preserving purposes, and some have thought they would be compelled to abandon further canning and preserving. They have the impression that only 25 lbs. for each household was available for this purpose.

"It is the very earnest desire of the Food Administration that the largest possible quantity of fruit be saved through canning, preserving, drying or evaporation," today declared Mr. Shipman to a News reporter. "Naturally in the face of a sugar shortage there is a remarkable increase in the drying and evaporating of fruits. Also the Food Administration is urging as its motto, 'maximum canning with minimum sugar,' and Mrs. Jane S. McKimmon, head of home demonstration work in North Carolina, recommends the use of only one pound to 16 quarts of fruit. If additional sugar is needed it can be added when the fruit is eaten. At that time the sugar situation will no doubt be much easier."

"No household is allowed to have more than 25 pounds of sugar during the season for canning and preserving except with the approval of their County Food Administrator. However, all county food administrators have been instructed by Food Administrator Henry A. Page to be very liberal in the exercise of the discretion that is given them in this matter and there is no reason why anyone with fruit or berries available should not save them all by canning, preserving and drying. The purchase of 25 pounds or a smaller quantity for this purpose can be repeated as often as there is real and legitimate need for their purpose."

TOXAWAY COMMUNITY FAIR

All of the members of the Lake Toxaway Community Fair are requested to meet at Lake Toxaway Wednesday afternoon, July 24, at 3 o'clock for the purpose of setting date of fair and appointing the different committees.

Immediately after the fair meeting Miss Annie Gash and Mrs. H. N. Carrier will meet with the Lake Toxaway Red Cross Chapter.

C. K. McNeely,
President.

MINISTER CELEBRATES NINETIETH BIRTHDAY

Springfield Missouri July 1918.—The ninetieth birthday anniversary of the Rev. J. R. Hamlin was the occasion of a surprise party arranged by members of the Hamlin Memorial Baptist church last night.

The veteran minister was unaware of the festivities provided in his honor until he was taken to the church building by one of the members who invited him to take a walk. A large number of the congregation participated in the affair, ice cream and cake being served by the women of the church.

Following the refreshments Rev. Hamlin gave an address covering his long and active career as a minister. The clergyman declared that two of the secrets of his longevity were his regular habits and his devotion to out-door life.

Rev. Hamlin was born in North Carolina on July 9, 1828. He began his work as a minister when he was 28 years old, and continued in active service from that time until four years ago. He still preaches frequently and conducted services last Sunday at the Hamlin Memorial church. He is still enjoying vigorous mental and physical health, and assured his friends last night that he expects to accept a number of annual surprises similar to the one celebrated at the church.

LOCAL RED CROSS COMMENDED

The Transylvania Red Cross has this week been visited by an inspector from Red Cross headquarters, who gave the entire system of Red Cross work in Transylvania county a thorough inspection.

Mrs. Clause, who was sent from Atlanta to Brevard for the purpose stated that she had been visiting small county chapters for the past six months and "not one that I have seen," said Mrs. Clause, "equals the Transylvania Chapter in the efficiency of its organization and in the quality of its output of hospital supplies."

Mrs. Clause spoke to the members of the executive committee at a special meeting on Monday evening. She also held a conference with the directors of the women's work department on Tuesday morning. To these workers who came from all parts of the county she gave special instructions for the important work which they will be expected to carry on during the next few months.

EVANGELISTIC MEETINGS FOR COUNTY

The churches of the Transylvania Association named below will hold simultaneous evangelistic services beginning Sunday, August 4th and continue two weeks:

Brevard, Dr. W. W. Hamlin, evangelist, E. L. Wolslagle, singer, C. B. Deaver, chairman local committee.

Rosman, Rev. A. V. Reece, evangelist, Mr. Schofield, singer, A. M. Paxton, chairman local committee.

Mt. Moriah, J. C. Owen evangelist, A. H. Gillespie, chairman committee.

Rocky Hill, Rev. A. I. Justice, evangelist, G. W. Bishop, chairman committee.

Little River, Dr. J. E. McManaway evangelist, M. L. Hamilton chairman committee.

Catcheys Creek, L. Hensley, evangelist, committee not reported.

Pisgah Forest, Rev. M. A. Adams, evangelist, committee not reported.

Oak Grove, Rev. Benj. Serga, evangelist, committee not reported.

Lake Toxaway, Rev. J. A. Anderson, evangelist, T. B. Reed, chairman.

Enon, Rev. G. N. Cowan, evangelist, G. T. Lyday, chairman.

Gladly Branch, Rev. W. W. Marr, evangelist, com. not reported.

Mars Hill, Dr. Blackman, evangelist, Bert Lane, chairman.

Some of the churches not named above reserved the right to choose their own evangelist, but have not reported their action to this committee. They are requested to do so yet, and fail in line.

The incoming evangelists will arrive at Brevard on the noon train Saturday, August 3rd. Soon thereafter (1:30 p. m.) a conference will be held in the Brevard Baptist church composed of these evangelists, local pastors and the above chairmen of committees for a mutual understanding of the work in all its details. This conference is very important indeed. Be it known to the above local committees that the mechanical part of this movement is in their hands and to that extent the success of the meetings wholly depends. "Let all things be done decently and in order." This is one of the factors that insures spiritual success.

J. M. Hamlin,
Chm. Ex. Com.

July 17, 1918.

Mr. and Mrs. C. L. Claypoole of Newbern will arrive shortly to spend a fortnight camping with a party of friends near Conestee Falls.

PENROSE CHEESE FACTORY OPENED

The cheese factory recently installed at Penrose was formally opened for business Monday morning by some very interesting and instructive talks by Mr. Lawrence, County Agent, Mr. Reed, State Dairy Demonstrator and Mr. Noland, State Cheese Expert.

The opening was attended by a large crowd from all over the community and much interest was shown in the new industry.

Mr. Reed, in his talk pointed out the advantages of the cheese industry in Western North Carolina over many other parts of the country. He said that if the people expected to buy cotton seed meal and hulls to feed their cows, they had just as well give up the idea of making cheese a paying proposition. He stated that corn, clover, soy beans and other grains were the thing to feed cows and that there was plenty of that all over the valley.

In speaking of the cheese industry as a paying proposition Mr. Reed said that in many sections where these factories had been installed the farmers were now riding about in automobiles where they were hardly able to make a living before.

This cheese industry will enable the farmers to realize some ready cash while tending their crops. In days gone by the farmer had to toil from early spring to late in the fall before he could realize anything for his work. Now he can take the milk he has been throwing out, and which he thought was of no use, and turn it into money.

After the speakers had finished the crowd was directed to the barnyard of Mr. W. L. Talley where about a dozen fine dairy cows were exhibited. A prize of five dollars was previously announced for the best dairy cow and this was won by Mr. Cars Woodfin.

From the barn-yard we went to the cheese factory where we were shown the latest methods of cheese-making. This factory has a capacity of about 360 pounds of cheese per day.

STARS SHINE FOR RED CROSS

The brightest lights of the film world are now greeting the people of Brevard on each Tuesday and Thursday afternoon and evening at the auditorium.

These stars come to town to twinkle for the benefit of the Red Cross, and every one interested in the success of the Red Cross work is expected to go to the auditorium on the days named to enjoy the wonders of the celluloid film and to help the Red Cross, which receives the entire net proceeds from the pictures.

RECEPTION FOR OFFICERS

The Transylvania Chapter Daughters of the Confederacy entertained informally at the Chapter House on Saturday afternoon in honor of the visiting army officers and their wives.

NEGRO SOLDIER DROWNED

Robert Maxwell, a negro soldier in camp near Pisgah Forest, was drowned in Davidson River Saturday evening while bathing. His body was recovered shortly afterward and sent to his home at Rantowles, S. C., on Monday.

MRS. ARTHUR SMITH DEAD

As the News was going to press word reached this office of the death of Mrs. Arthur Smith which occurred Wednesday morning. Interment took place at Oak Grove cemetery after a funeral service at the Methodist church conducted by the pastor, Rev. W. E. Poovey, this (Thursday) morning.

A husband and one small child survive.

A more extended notice will appear in the News next week.

RED CROSS DRIVE AT ROSMAN

Dear Editor:
Please publish the following report of the W. S. S. Drive in Catcheys Creek township:

The committee made a thorough canvass and nearly every one subscribed.

Selica subscribed . . . \$2,365.00
Calvert subscribed . . . 1,195.00
Cherryfield sub. 2,250.00
Resman subscribed . . . 4,695.00

Total \$10,505.00

The Rosman district committee solicited the town thoroughly and not a single resident that the committee could think of failed to subscribe. The school house meeting proved to be a great success.

The names were taken of all who were present, there being one hundred and fifty-nine on roll.

While the secretaries were taking the names personal workers were busy taking pledges, which amounted to more than \$1,300.00.

Delia Gillespie,
A. M. White,
Secretaries.

OUR NEW FLOUR MILL

Our new wheat, corn, rye and buckwheat mill is now in operation and is doing fine work. This is an enterprise that the whole of Transylvania county ought to feel grateful for, for hitherto the people had to go to Buncombe or other places to have their grain put in proper shape for use.

Transylvania has the grain. She has up-to-date threshing machines, and now she has the mill to do the grinding.

By all means patronize our home industries when they are as good, or better than those at a great distance.

Mr. Burnette, one of the owners of the mill, brought a sample of the flour made at this mill to the News office on Tuesday and one of the force being an ex-miller, is prepared to say that it was not dead flour, but fully alive. Our merchants can now buy their flour at home and save freight.

SERMON TO CHILDREN AT METHODIST CHURCH

A sermon on "The Rainbow" will be delivered by the pastor of the Methodist church Sunday morning. Children especially invited.

At 8:30 p. m. the third of the "Short Sermons for Summer Evenings" will be preached on "False Economy."

Read Num. 10:29.

DELCO LIGHTING SYSTEM

Frank D. Clement has installed the Delco Lighting System at the auditorium, which enables him to run his moving picture show at any and all times, so you need not fear being left in the dark.

IN FRANCE

A letter to his homefolks this week informs them that Second Lieut. Haskell Allison has just arrived in France. His brother Lieut. Eugene Allison was a week ahead of him.
