**HARLIE HENDERSON**

**KILLED IN ACTION IN FRANCE**

Far on some Battle field in France,  
Our precious boy was slain;  
He left his home and native land  
And crossed the mighty main.

In bloom of youth he left our home—  
His age was twenty three—  
He bravely crossed the mighty deep  
To fight for liberty.

With tear-dimmed eyes we watched  
him leave.  
Until he passed from sight.  
Oh Harlie! precious Harlie, dear!  
The boy of our delight!

He helped to gain the victory,  
But sacrificed his life  
To free the world from Prussian rule—  
From war, bloodshed and strife.

So blessed be God's Holy name,  
His life for right was given;  
He's gone to wear a golden crown  
With angels up in heaven.

JOHN C. HENDERSON.

**CALOMEL SALIVATES AND MAKES YOU SICK**

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.—Advertisement.
