"I went to Church last Sunday."  
"You did? Where?"  
"At DAVIDSON RIVER."  
"Glad you went, or sorry?"  
"Glad! It did me good. Saw lots of people I hadn't seen in a long time. It seems like they've got more life in that old church these days; the singing is better, the preacher is improving right along, they say, everybody is cordial, there is a spirit of real worship, and the service lasts only one hour."  
"Believe I'll go next Sunday, myself."  
"I'll be there, sure!"  
"EVERY SUNDAY—10 TO 12"

For Pasturage in 6 to 8 Weeks Sow Dwarf Essex

## RAPE

Makes splendid nutritious pasturage for cattle, hogs, sheep and poultry within six to eight weeks. Many report that its fattening qualities are better than that of clover. It is the earliest pasturage and one of the best hog feeds you can grow. Plant rape now. Save money spent for feed.

## WOOD'S SEEDS

For Farm and Garden are seed of proven worth—tested for both purity and germination.

## Grass and Clover Mixture

Our grass and clover mixtures yield more hay, better and more permanent pasturage than when only two or three kinds of grass or clover are sown.
