

The Farmer to Feed the World

Uncle Sam

Demands that we raise bumper crops this year to feed ourselves and the starving millions in Europe. Can we do it? We can, if we have the equipment, but we can't unless we are prepared.

Come to our store and let us show you what we have in farming tools—and we sell them for just a little less than the other fellow.

We have Shovels, Forks, Hoes, Rakes, Mattocks and Picks.

WE HAVE BROWN'S IMPROVED CULTIVATOR

We have in stock at present and at all times a full supply of the famous AMERICAN FENCING wire for all kinds of fences—Poultry, Hog, Cattle.

Now is the time to begin to fix up your fences to keep the stock out of your corn field or garden.

Come in and let's talk it over. We will save you some money.

PROCRASTINATION

IS ONE OF THE GREATEST EVILS OF THIS AGE. SOME MEN REALIZE THAT THEY OUGHT TO MAKE CERTAIN PROVISION FOR THE FUTURE BUT CARELESSLY NEGLECT IT—JUST PUT IT OFF FROM DAY TO DAY UNTIL IT IS TOO LATE, AND CONSEQUENTLY THEY NEVER ACCUMULATE ANYTHING AND FINALLY BECOME A BURDEN UPON SOME RELATIVE, OR UPON THEIR COUNTY.

OTHERS GRASP THE OPPORTUNITY WHEN IT PRESENTS ITSELF AND COME OUT ON TOP. THE BUILDING & LOAN HABIT WILL BRING YOU OUT ON TOP. START TODAY!
