

TURKEY CREEK TOPICS

A wedding of much interest to many Transylvanians took place Sunday when Miss Annie Alexander became the bride of Mr. Fate Mahaffe. The young people were married by Rev. P. P. Orr at the bride's home. Many friends and relatives were present.

Private Ulysses Thrift who belonged to the famous "80th" has received his honorable discharge. We are all glad that he is with us again.

B. E. Sims and Clarence Orr are also expected home any day.

Mrs. Wait Galloway and sons, Paul and Jerry of Cullowhee have been visiting friends and relatives here this week.

Mr. and Mrs. Fate Mahaffe went to Haywood on their honey moon, April 1st.

Rev. R. R. Mahaffe has returned after a visit to Waynesville.

Miss Varma Lee Surratt of Penrose visited her aunt, Mrs. Rachel England last Sunday.

Mr. and Mrs. Sheldon Sims and sons visited Mr. and Mrs. J. S. Boggs last Sunday.

Mr. and Mrs. W. A. Lyday of Pisgah Forest visited Mrs. J. S. Boggs Sunday.

Charlie Sims from Boilston passed thru our burg this week.

Mr. and Mrs. Judson McCall and baby, Pearl, spent Sunday with Wade Lyday and family.

Spring is really here: Flowers are in bloom and the pond is frozen over, Potatoes are planted and we still need cover. The little birds are singing, Oh my! I'm about to freeze. The wedding bells are ringing, Great guns! I've got to sneeze. The weather is getting on our nerves but I guess we can stand it. Come on back woods and give us some poetry. I like our new Walt Mason who wrote on the hearties of our County and the tannery.

Tell him to come again. Best wishes to the NEWS and a good crop all over the county. I like Mr. Hamlin's old time pieces.

NOTICE TO TEACHERS

All the teachers and prospective teachers please take notice that there will be conducted under the auspices of the County and State a summer school or institute in this County commencing either the latter part of June or the first part of July and will last either two weeks or one month—Mr. D. F. Giles of the State Board of Examiners will be present for a general supervision and a full discussion of the certification of teachers. The institute is free to all who may come.

The plan is to have the institute conducted immediately before the opening of schools for the next session. All teachers are aware of the fact that the law requires their attendance at an institute every two years; also, that a certain amount of reading work is to be done every year. Now, therefore come and get credit for what you need.

A detailed outline of the work etc. will appear in the BREVARD NEWS the latter part of this month. Make your plans to attend the institute in this County.

Yours for success
A. F. MITCHELL, Co. Supt.

DECIDE YOURSELF

The Opportunity Is Here, Backed By BREVARD Testimony. Don't take our word for it. Don't depend upon a stranger's statement.

Read Brevard endorsement. Read the statements of Brevard citizens.

And decide for yourself. Here is one case of it. Mrs. M. L. Duckworth, Broad St., says: "I had such backaches I could hardly walk and my kidneys were out of order. Dizzy spells came over me and black specks floated before my eyes. When I stooped over I could hardly straighten again and my hands were weak, too. My ankles and hands swelled and my sight was dim. Reading of Doan's Kidney Pills gave me a supply at Duckworth's Drug Store. They relieved me right away. I felt like a different person."

PENROSE HIGH SCHOOL TAINS

The Penrose High School closing exercises April, 1919, at 8:30 P. M.

Icecream will be served for the benefit of the school.

IN MEMORY OF MISS DAISY NICHOLSON

"And God touched Her with His Finger, and She slept."

Oh! Such a blessed sleep, as only those who have spent a life in loving service may hope for as a final reward.

In the loss of Miss Daisy Nicholson our town has lost one, its most valuable townswoman, one who has spent years of her life in caring for the sick, and doing all in her power to alleviate the suffering of those about her wherever an opportunity presented itself, (and this done in such a cheerful, whole-hearted way, as to inspire trust and confidence) faithful and conscientious to the highest degree, regardless of her own health and welfare, tender, kind and sympathetic. This was the life that has gone from us, and a life that we could ill afford to lose.

Yet she will live on, for many whose suffering brow She has soothed, many a discouraged, despondent soul whose sick body She has nursed back to health, will cherish the memory of Her, who administered so faithfully and untriflingly to their needs.

Yes, we shall miss her, but may the God of all mercies comfort her loved ones, for it is He alone that can soothe such heart-wounds and at last restore those loved ones whom "We have loved long since and lost awhile."

NOTICE TO PUBLIC

The matter of appointing school committees for the schools of the county is now open to the public for suggestions. The County Board of Education will convene at an early date for the purpose of filling all the vacancies created by the last legislature. The business of the Board was too heavy to reach this matter April 7th, and had to recess for the unfinished business. Now, therefore, get in your recommendations at once. All old boards will remain intact till their successors are qualified.

Most cordially yours,
A. F. MITCHELL, Co. Supt.

NOTICE of MUNICIPAL ELECTION in the Town of Brevard, N. C.

HOW CAN YOU TELL YOUR FAVORITE TOBACCO?

As Plain as the Nose on Your Face—Just Smell It

Smokers do not have to put tobacco in their pipes to find out if they like it. They can just rub the tobacco between the palms of their hands and smell it. The nose is an infallible guide to smoking enjoyment.

All smoking tobaccos employ some flavoring "to improve the flavour and burning qualities of the leaves", to quote the Encyclopedia Britannica. Naturally, there is considerable difference in the kind of flavorings used, and the nose quickly detects this difference. TUXEDO Tobacco uses the purest, most wholesome, and delicious of all flavorings—chocolate. And the almost universal liking for chocolate in a great measure explains the widespread popularity of TUXEDO Tobacco.

Carefully aged, old Burley tobacco, plus a dash of pure chocolate, gives TUXEDO Tobacco a pure fragrance your nose can quickly distinguish from any other tobacco. Try it and see.
