#### The Wonderful Record of Dr. Thacher's Liver and Blood Syrup.

Those medicines which live for even a quarter of a century are exceptional, and continuous use for over two-thirds of a century is indisputable evidence of wonderful merit.

Dr. Thacher's Liver and Blood Syrup came into existence in 1852, and from that time to the present it has grown in the confidence and estimation of its yearly increasing number of users. Through all these years it has steadily grown in popular favor.

Its wonderful building up power is shown in the experience of Mrs. C. E. Chadwick, Seale, Ala. "I was all run down in health," she says. "I weighed only 10 1/2 pounds and getting worse every day. I began the use of Dr. Thacher's Liver and Blood Syrup and today, I am thankful to say, I am in perfect health and weigh 155 pounds. I attribute my good health to the use of that most wonderful medicine. I firmly believe there are numerous suffering people that could be sound and well by the use of Dr. Thacher's Liver and Blood Syrup."

If you need a tonic, or a blood purifier; if your liver is out of order, your stomach troubles you, or you are constipated, have indigestion or dyspepsia, try Dr. Thacher's Liver and Blood Syrup. It is purely vegetable and cannot possibly injure any one. It has been of wonderful benefit to others therefore should command your attention. All dealers in medicines sell it and will recommend it.

A Teaspoonful of PERUNA  
Three Times a Day

#### Has Never Been Down Sick Since Taking PERUNA

Read this letter from Mr. Robt. Minnick, Grass Range, Montana. "In 1900 I was out in Kansas running a threshing engine and the threshing crew had to sleep out of doors. One of the crew brought a Peruna Almanac to the engine one day and I was feeling very ill from sleeping out. I decided to give Peruna a trial and sent for a bottle of Peruna and a box of Peruna Tablets, which straightened me out in a hurry.

"I have never been down sick since that time. I do not take any other medicines except Peruna. I always keep it on hand. If I get my feet wet, get a cold, feel chilly, or a little bad, I always take Peruna. People should not wait until they are down sick and then take it, but should keep it on hand like I do and when they feel bad, they should use it."

Recommended for Catarrhal inflammation of every description.
