CROSS KIDS

Don't say "they're just bad." Something else is the matter with them. Probably it's "worms".

DR. THACHER'S WORM SYRUP

has been taking the "cross" out of "kiddies" for half a century. They LIKE it—because it tastes good. Can't hurt them! Get it at your drug store.

DID HER A WORLD OF GOOD, SHE SAYS

Mrs. Moore Was So Weak She Could Hardly Get Up—Health Restored By Tanlac.

"I feel so well that I can hardly realize the awful condition I was in before I took Tanlac," said Mrs. E. L. Moore, of 943 S. Wellington St.,

Memphis, Tenn.

"I had been in a rundown condition for two years", she continued, and was so weak that I could hardly keep going. I had to force myself to eat, but nothing agreed with me and I got so lifeless and no account that I could hardly get up when I was sitting or lying down, or even do my housework. I suffered with splitting headaches that would almost drive me distracted.

"My appetite picked up on my first bottle of Tanlac and I am now eating three hearty meals a day, those awful headaches are gone and I am just feeling fine. I have gained ten pounds and am strong enough to do all my housework with ease. Tanlac did me a world of good—more than all the other medicines I have taken put together."

Tanlac is sold by leading druggists everywhere.—ad v.
