FARMER RELATES STORY OF TROUBLE

Lost Steadily And Could Not Find Relief—Every Sign Of Trouble Disappeared Since He Took Tanlac.

The remarkable experience of Y. M. Hall, a wealthy farmer living just out of Adrian, Georgia is another striking evidence of the extraordinary merits of Tanlac. In speaking of his two years of suffering and subsequent relief, Mr. Hall said:

"I am proud to say that I have gained fourteen pounds in two weeks taking this Tanlac.

"My trouble had been growing worse instead of better all the time," he continued. "It was almost impossible for me to lie on my left side on account of the terrible rheumatic pains. I began to lose weight and had fallen off until I weighed one hundred and thirty-eight pounds, away below my average weight, and could not find anything to relieve my pain or build me up.

"After I had suffered for more than two years without getting any better, someone recommended Tanlac to me and I started taking it. As I have said before, I gained fourteen pounds in weight and I haven't felt a sign of the old rheumatic trouble since. I have taken only four bottles of Tanlac so far, but from the way I have improved already, I am glad to recommend it to everybody."

Tanlac is sold by leading druggists everywhere.—adv.

Garren Medicine Co.,
Hendersonville, N. C.

Gentlemen:
I have been a sufferer of stomach troubles for fifteen years, a greater part of the time I have had dyspepsia so bad that my stomach would not retain food for five minutes. I would have to leave the table immediately after finishing my meals. I tried several of the best doctors and different kinds of patent medicines, but all to no effect. I then secured a bottle of Garren's Blood Purifier and Tonic which immediately gave me relief. I used two bottles over a year ago and I still continue to eat and drink what I please without suffering any trouble with my stomach whatever. I would advise all suffering from indigestion or dyspepsia to give this medicine a fair trial.
