The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

M. P. Hawkins, farmer, says: "Kidney trouble came on me some years ago and I don't know what caused it. I had a dull ache in my back and it was hard for me to straighten. My kidneys were out of order; they acted too frequently and the secretions were highly colored and painful in passage. I had nervous headaches and felt tired and run down. I finally got Doan's Kidney Pills and began taking them and I was surprised at the quick relief they brought. Continued use of Doan's entirely cured me."
