METHODISTS REVIVE ANCIENT CUSTOMS

TWO AND ONE-HALF MILLION MEMBERS TO OBSERVE DAY OF FASTING AND PRAYER.

Centenary Commission Starts Movement To Establish 100,000 Family Altars—Following the Plan of Old Circuit Riders.

Nashville Tenn.—The Centenary Commission of the Methodist Episcopal Church, South, has named August 29th as a special day of fasting and prayer for the two and a half million members of the church. The Commission has also started a movement to establish 100,000 Family Altars, by having that many homes pledged to observe daily devotions.

This is the revival of ancient customs in the church. It is the part of an intensive campaign which the church has launched in connection with the spiritual side of the Conservation program of the Centenary Movement, through which the Methodists raised \$53,000,000 in an eight day drive last May.

The object of the present campaign, as stated by Rev. S. A. Neblett, Secretary of the Department of Spiritual Resources, is to enroll at least 40% of the church members in the prayer league known as the Fellowship of Intercession, to establish 100,000 Family Altars, and to assist in finding a thousand young people to go abroad as missionaries.

August 24-31 is known as Enlistment Week. During this period the seven thousand pastors will urge their members to join the Fellowship of Intercession, to establish Family Altars, and to observe the day of fasting and prayer.

JAPAN TO MODIFY KOREAN RULE.

So Predicts Dr. S. E. Hager, 25 Years a Southern Methodist Missionary In The Orient.

Nashville, Tenn.—That Japan will moderate her rule in Korea is the prediction of Dr. S. T. Hager, recently returned missionary of the Methodist Episcopal Church, South. Dr. Hager has spent more than a quarter of a century in Japan doing religious work.

"Japan is learning that her success in giving good government to Korea is fraught with difficulties, and that tolerance and good will must take the place of harsh and severe methods.

"The military leaders aim mainly at making their rule thorough and permanent, and naturally there is great temptation to the man of the sword to make his rule severe.

"But democratic ideas are growing in Japan, and more temperate treatment of the subject race will come about."

Dr. Hager says the Christian missionaries in the Orient are elated at the success of the Centenary movement, through which the church raised \$53,000,000.00 for missionary work in all lands.
