## RAILROAD MAN IS OUT WITH FACTS

So Badly Rundown He Had To Quit Work—Gains Twenty Pounds On Tanlac.

"Tanlac has not only relieved me of a case of stomach trouble that made me miserable for three or four years, but I have actually gained 20 pounds in weight besides," said C. O. Schwendel, of 3115 Vliet street, Milwaukee, Wis., recently. Mr. Schwendel is a night watchman in the yards of the Chicago, Milwaukee & St. Paul Railroad and has lived in Milwaukee all his life.

"Nothing I would eat agreed with me," he continued, "and the sight or smell of food would nauseate me. Right after eating I would have terrible pains in my stomach, I would bloat up with gas and suffer with pains around my heart. At times this gas would almost cut off my breath and would make me so weak I could hardly stand and when I would bend to throw a switch I would pitch forward on my hands and knees. I could not sleep more than two hours a day and just had to force myself to work.

"I tried everything I heard of, but got no better. Then I laid off work for some time trying to rest up. One of my neighbors persuaded me to try Tanlac and it has made me feel like a new man. I am eating any and everything I want without the least trouble from it and sleep like a log. I haven't had a pain or ache of any kind and will always have a good word to say for Tanlac."

Tanlac is sold by leading druggists everywhere.—adv.
