ROMANCE is calling to you! Strange and smiling foreign lands are beckoning to you. Shove off and see the world!

Learn to "parley-voo" in gay Paree. See the bull-fights in Panama. See surf-riding on the beach of Waikiki.

Learn the lure that comes with the swish and swirl of the good salt sea. Eat well—free; dress well—free; sleep clean—free; and look 'em all straight in the eye—British, French, Chinese, Japanese, Spaniards, Egyptians, Algerians, and all manner of people.

Come! Be a real man of the world. See the world. See it with

the red-blooded, hard-working, hard-playing men of the U. S. Navy.

THE BREVARD OUTLET

On several occasions The Times has called attention to the demand in and around Brevard for another railroad outlet, and has suggested the tremendous economic value that would accrue to Asheville by the construction of a line from this city to the Transylvania county seat. The subject has long been discussed, but just now is being revived with even greater enthusiasm at Brevard where a committee has been appointed to investigate plans for another rail outlet.

Now is the time for Asheville to look after this new railroad proposition. Sentiment in Transylvania county just now favors taking the line to Greenville to the south preferable to this direction. This inclination is due largely to the fact that connection may be made with the partially completed line from Greenville by the construction of a few miles of railroad.

However, Brevard people would be equally interested in a line that would connect with Asheville by way of the Sandy Bottom. Many have expressed preference for the Asheville route should there be any possibility of financing such a line. An electric line to Brevard would open up a fertile community for direct communication with Asheville. If the steam line connection is completed between Brevard and Greenville, a new northern path for Asheville visitors will be offered.

Asheville just now is facing a multitude of great problems. The railway line is not the least of these. It is deserving of profound investigation. —Asheville Times.
