**ROSMAN NEWS**

On last Friday a quiet raid in the Frozen Mountains about 4 miles west of Rosman by J. Z. Stroupe, J. A. Galloway and E. Sims, resulted in the capture of a 45 gallon capacity copper distillery and 12 bushels of mash. This distillery has been recently in operation and as it is a very valuable little outfit the officers are proud of their capture.

Mrs. F. H. White and children have just returned from Louisville, W. Va. where they have been visiting friends and relatives for several weeks.

Pick Nicholson of Fairfield is visiting his sister, Mrs. Nathan Galloway of Rosman.

Mr. and Mrs. Jordan Whitmire accompanied by their little daughter visited Mrs. Whitmire's parents, Mr. and Mrs. Wilson, near Brevard Sunday.

A. M. Pharr has been very sick for a few days but is now much better.

Messrs. A. M. and J. E. White, with their families, recently motored to Fruitland where they were the guests of Rev. C. A. Johnson.

Dr. Zachary of Brevard spent Sunday in Rosman

Mr. and Mrs. Lee Nicholson of Lake Toxaway were recently the guests of Mr. and Mrs. W. H. Nicholson.

Rosman is on the boom. A full car load of automobiles was unloaded in our little town the other day.

There have been quite a number of autos in town for some time but this is the first time in the history of Rosman that a full car load of automobiles was unloaded at one time. These cars have all been sold which shows how the people of this community appreciate the pleasure of owning a car and the convenience of buying it in our home town.

**IMPATIENTLY AWAITES GREAT NEW CIRCUS**

Ringling Bros. and Barnum & Bailey Combined Shows Arouse Keen Interest Here.

"Circus Day," the big holiday for which young and old impatiently wait at this particular season promises to eclipse all other events of the calendar year at Asheville, Saturday, Oct. 25.

It would seem as though everybody in this locality were planning to attend. The very name of the great new circus—Ringling Brothers and Barnum & Bailey Combined—has been sufficient to arouse far more interest than has ever before been shown in the coming of any amusement enterprise. And word from the Ringling Brothers, who are directors of this gigantic super-circus, is to the effect that those who attend the performances will witness the greatest program ever presented in America. This is likewise true of the mammoth street parade, which will positively take place showday morning, the mammoth menagerie and all else connected with this biggest of all amusement institutions. The famous show men have made a complete survey of both the great circuses and merved the finest and best of each into one. Hundreds upon hundreds of performers will appear in the gigantic tent. There will be scores upon scores of the cleverest dumb actors. A gorgeously costumed pageant of stupendous size, will open the program. Great companies of characters representing the best-loved stories of fable and nursery lore, will appear. There will be splendid and many groups of beautiful horses in jeweled trappings. The army of clowns exceeded all past records for fun and for numbers. All contribute to the biggest circus in history.

**If Your Dealer Sold Cheap Quality Goods**

you could buy just as cheaply from him as you can by mail. Prices are based on quality and you pay only for what you get. Pretty pictures and well worded phrases may sell you the goods, but your money can buy only so much quality.

Your dealer could probably sell you the same grade of goods you buy from a catalog—but if you saw it first you might not consider it worth the price. Hence, he must keep a better quality and his prices are graded accordingly.

Avoid disappointment by trading locally. It's cheaper in the long run, too.
