Overland
 Tested 250,000 Miles
 Three-Point Cantilever Springs
 Greatest Improvement Since
 Pneumatic Tires

OVERLAND 4 has been put through the most thorough and severe test possible. 250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Cantilever Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

They protect the car from road shocks and prolong the life of every part. They enable the wheels to hold better to the road. They give greater comfort under all road conditions. They do away almost entirely with side sway and rebound which twist and rack the car.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Spring-base gives the steadiness and smooth riding of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Marshall Divan Spring Upholstery.

Come in and see this car. Ask for Booklet. Overland 4 Touring, \$845; Roadster, \$845; Coupe, \$1325; Sedan, \$1375; Prices f. o. b. Toledo.

YOUR LIVER

If your liver works all right, the rest of your inside works are apt to be all right—otherwise not so. Then look after your liver, see that it runs "smooth and steady", that it doesn't get clogged up or skip a cog and throw the whole machinery out of gear.

Dr. Thacher's Liver and Blood Syrup

is a Liver Regulator, a Blood Purifier, a Laxative and a Tonic of 47 years standing; the prescription of an old family doctor of large practice; a standard remedy for the whole family from the children to the grand parents.

"About three years ago, I was all run down in health, weighed only 144 lbs., and getting worse every day. I began the use of DR. THACHER'S LIVER AND BLOOD SYRUP, and today I am thankful to say that I am in perfect health, and weigh 185 lbs. I attribute my good health to the use of that most wonderful medicine, DR. THACHER'S LIVER AND BLOOD SYRUP. My husband tells me in recommending this great tonic—Mrs. G. E. Chadwick, Ala."
