ROSMAN SCHOOL NOTES

The following teachers are in the corps this year and all are doing good work:

First Primary B—Miss W. Thomas.
First Primary A—Miss D. Gillespie.
Second Primary—Mrs. A. P. Bell.
Intermediate—Miss Buehah Whitmire.

Grammar—Miss Alberta Perkins.
Prin. and H. S.—Mr. J. E. Ockerman.

About 250 different pupils have already been enrolled in the various departments this year.

At the beginning of the year a campaign was launched against tardiness and irregular attendance with gratifying results.

As an incentive to promptness in attendance, a beautiful flag with staff was purchased with money contributed by the school. This flag is to be held as an honor or banner flag, for one month by the room making the lowest per cent of absences or tardiness during the preceding month. This little scheme has caused a wholesome rivalry between the rooms resulting in improved conditions as to punctuality. The grammar department has won the flag for two successive months, although there has been a close contest in the various departments.

Thanksgiving a Pie Social was given in the auditorium of the school building on Thursday Evening by the girls in the Home Economics Class. The evening was spent very pleasantly in games, recitations and pie-eating which was enjoyed by a large number.

The school closed on Wednesday evening for the two days Thanksgiving vacation—Thursday and Friday. A Thanksgiving program was rendered by the various rooms on Wednesday afternoon.

Prof. and Mrs. Ockerman are attending the State Teachers' Assembly at Raleigh this week.

The school will close on Dec. 19, for a two week's vacation with a Christmas Program to be rendered by the schools combined on the afternoon of Friday, Dec. 19.

Since the New High School Building for the Rosman Schools is an assured fact a new impetus is added to school work.

Wednesday of last week Chief of Police Stroup, J. A. Galloway, Deputy Sims and Millie Stroup made a raid on blockaders in little auger hole section and captured an 110 gallon still, 800 gallons of beer and all fixtures except the worm.

Also a 70 gallon still on the waters of Bear creek about a mile from first one, all fixtures had been moved at this place except one barrel.

SHE'D WALK MILES TO TELL ABOUT IT

Nashville, Woman says She Gained 25 Pounds By Taking Tanlac.

"I feel so grateful for the wonderful relief I have gotten through taking Tanlac that I would willingly walk twenty miles to tell other sufferers what this medicine has done for me," said Miss Adela McKenzie, of 424 Sixth Ave., Nashville, Tenn.

"I suffered for about eighteen months from nervous prostration," she continued, "and kept getting worse in spite of all I could do. I had no appetite and after eating anything my stomach would burn like it was on fire. I would turn cold one minute and hot the next, and I was so nervous I could hardly sleep at all and lost sixty pounds.

"After trying several different medicines without getting relief, my brother got me a bottle of Tanlac and I started taking it. By the time I had finished my second bottle my appetite began to improve and my other troubles were greatly relieved. That burning sensation has disappeared from my stomach, the nervousness is gone, I sleep like a child and I have gained twenty-five pounds in weight."

Tanlac is sold by leading druggists everywhere.—adv.
