REMODELING SALE

SACRIFICE PRICES

Fifteen Extra, Experienced Salesmen wanted at once.

Railway fare, within a radius of 50 miles, will be paid with every \$75.00 purchase.

We earnestly advise the public to take advantage of this Sale, as prices are still advancing, and there will be a 50 per cent to 75 per cent increase on Spring Goods.

Hundreds of other articles have been marked down for this Sale.

Come and see them.

We lack space to mention them all.

This Store is to be completely Remodeled and Greatly Enlarged.

An entire new floor will be added, balconies built, the basement utilized, giving us many thousands of square feet additional selling and display space. It will be a physical impossibility to have the work done without reducing our stock and clearing working space.

We are Going to Make that Space!

So this is one chance for you to get the very highest wearing apparel at the price, or less, that is asked for ancient and time-worn goods. And we insist that you keep this fact in mind.

Every article in this store is the season's latest, has Fashion's fullest approval, is positively the correct thing, the latest and the smartest mode. Not a shoddy article, nor a cheap article here, but ultra-value merchandise cheap—very cheap.
