

THE HARDWARE QUESTION SOLVED
Why Not Make Washday Easier

Because washing is a necessity is no reason for making hard work of it. It's a simple matter to lighten the labor—to cut out the drudgery—to make washday no more to be dreaded than any other day. Save your energy, your strength, your vitality, your nerves.

We can supply all kinds of washing machines—easy running hand power washers or the kind driven by electricity or water motor—that wash one lot of clothes while you rinse or prepare another.

Then, too, we have wringers, boilers, tubs, washboards, clothes-lines and other wash-day necessities of best quality.
