

PERSONALS

Mrs. M. A. Boswell was in Asheville this week visiting friends.

Mr. J. E. Ockerman, principal of Rosman High School, was in town last Saturday.

Miss E. H. Walker is making an extended visit to friends at Dunedin, Florida.

The next meeting of the Mathathasian Club will be held March 25 at 3:30 o'clock.

Mrs. T. N. Williams of Knoxville, Tenn., is visiting her sister, Mrs. A. H. Plummer.

Chas. B. Deaver has been spending several days in Asheville this week attending Federal Court.

Mrs. W. W. Zachary and small daughter, Beulah May, are visiting in Greenville, S. C.

Mr. F. D. Clement spent the first part of the week in Charlotte in the interest of the Auditorium, returning at noon Wednesday.

Born to Mr. and Mrs. T. B. Summey Jr., on Sunday morning, March 14, a fine boy. Mother and child are both doing well and "Dick" is happy.

Brevard has a beautiful drive all along Main St. by the Franklin Hotel and almost to Mr. J. S. Silverstein's house, but it lacks one thing which would add so much to the comfort on hot summer days, and that is shade. Gentlemen of the Town Council, now is the time to plant shade trees. A word to the wise is sufficient.

Jess Pickelsimer, the Druggist, has installed his new Puffer-Lippincott Seal Type Soda Fountain at his Main St. store. The new fountain is eighteen feet long, of white Italian and Pink Knoxville marble with niched-plated trimmings and a back ground of mahogany and plate glass mirrors. The fixture combines the most sanitary and up-to-date features and complies in every respect with government sanitary regulations. Mr. Pickelsimer expects to be able to dispense the "dope which cheers but not inebriates" in a few days.

More than 4,000 farmers were accommodated with loans from the Federal Farm Loan Board's funds during the month of January. Their aggregate borrowings were above \$15,000,000. These loans were for long periods and at interest rates much below those charged by private lenders. Many thousands of farmers have been directly benefited by this federal loan plan since its inception, and thousands more have reaped an indirect advantage thru the reduction in interest rates brought about by this governmental agency. The democrats did it.

The Brevard Hardware Company have displayed in their store one of the best exhibitions of all varieties of farm and garden seeds ever brought to Brevard. They are from the well-known firm of seed growers, W. Alice Burpee and Co., of Philadelphia. This firm carries a complete line of fertilizers and farm and garden implements, and tools, rakes, hoes, trowels and weeders; in fact everything you need for a successful crop except the land, the sunshine, the showers and the strong arm, the stiff back and the ready will that goes behind them.

This firm has moved their office to the back of the store so as to give room for the display of their extensive line of farm and garden implements and machinery.

We want to make this paper a real help to every home in Transylvania and to your friends who live elsewhere. We cannot do this without your help; write or phone anything of interest to Mr. E. H. Norwood,

our city reporter, just give him the facts and he will write it up for you. Above all get your neighbors to subscribe for the Brevard News; the more subscriptions the bigger and better the paper. Remember that this is your county paper. It represents Transylvania County to the outside world. Back it up with your paid-up subscription, your news items and your good words.

PEPTO-MANGAN MAKES RICH RED BLOOD

Helps Restore Thin, Run-Down Men And Women to Vigorous, Full-Blooded Health.

Recommended by Physicians

Sold in Liquid or Tablet Form—The Name "Gude's" the Guide to the Genuine.

It is a true saying that your health is only as good as your blood. Good rich blood manifests itself in a healthy, natural complexion; clear keen eyes; tireless energy and enthusiasm; and an abundant supply of reserve strength.

And just as positively does poor, thin blood directly influence the entire system. Pale, sallow complexions; dull eyes; a listless step; languidness; tiredness; worn-out feel-

ing, general dejectedness and unhappiness—all are positive signs that the body is not receiving its proper nourishment thru the blood. Pepto-Mangan helps restore vigorous health, because it contains the very elements so much needed by the blood to enable it to perform its functions and supply the body with nourishment, energy, and strength. For your convenience, Pepto-Mangan is prepared in tablet as well as liquid form. Both possess exactly the same medicinal value. There is but one genuine Pepto-Mangan and that is "Gude's". If the name "Gude's" is not on the package it is not Pepto-Mangan.—adv.

NOW IS THE TIME TO BUY CARS The March winds will soon dry up the mud and it will be a pleasure to drive a car that makes little or no noise over the good roads. MOTOR CAR STANDARDS ARE IN THE HANDS OF THE CONSUMERS It is within the power of the motoring public to make automobiles measure up to their requirements, says White & Woodward, of Rosman, N. C., local dealers in Chevrolet passenger cars. The success of an automobile depends on the degree to which it gives purchasers what they want and need, therefore try a Chevrolet. In buying a car see that you get all that your money calls for. If you are not a judge of mechanical construction find out from owners what service their cars afford. The testimony of not one, but many owners is necessary to establish a reliable reputation. The reputation and resources of the manufacturer are guides to the quality of the car. Service and economy are the chief points to be considered. Of what use are all the comforts and conveniences of equipment if the car itself doesn't stand up? What enjoyment is there in them if the car itself is a continuous extravagance? Complete satisfaction can only be experienced with a car that not only includes every essential of modern equipment but which affords dependable and inexpensive performance. These are the standards by which a car should be judged. Purchasers can secure cars that measure up to them if they insist upon it. Satisfy yourself that the car you decide upon is fully equipped at the start. But above all, make sure that the motor and other vital parts of its construction are such as to insure you dependable, economical and lasting service in return for your investment. By doing this you will advance the standards of the industry and benefit the motoring public as a whole. A. M. WHITE U. G. WOODWARD White & Woodward "The Chevrolet" Rosman, N. C.
