THE PRAYER CORNER

(Left From Last Week.)

"Into Thy Hands I commit my spirit - Ps. 31:5.
"These words are often quoted, as if they were for the hour of death. They are fit words for any dying saint, and our Saviour uses them at His last words on the cross. But here the committal is for life with its experiences. The words imply complete surrender. Commit yourself, body, soul and spirit, for time and for eternity, into the Hands of Jesus Christ."

This committing of oneself means the committing also of our affairs into the Hands of Christ.

"Some people trust Christ as their Saviour, but do not commit to Him the interests of their every day life. Yet life is commonly full of experiences which no human wisdom can make clear. We cannot choose our own ways. We cannot tell what will be the effect on ourselves one year, ten years, thirty years hence, of a certain decision or choice which we make to day. The only safe thing to do is to put all this into the Hands of One who is wiser than we are."

"A pastor was sitting at a little child's bedside with the anxious parents. It seemed that the child could not live. They were about to pray, and the pastor said to the parents: "What shall we ask God to do for your child?" He had been speaking of God's love and wisdom, telling them that their Heavenly Father makes no mistakes, that whatever He does will be right; that He knows what is best for the child and for them. So when he said, "What shall we ask God to do?" there was silence for a moment; then the father answered with sobs, "We dare not choose-leave it to Him". He could not have said a wiser, safer thing. No human parent can tell what is best for his child, whether to stay in this world and meet the battles, temptations, dangers, trials or to be lifted over into the heavenly life where there shall be no trial, no temptation, no perils.

It would be wise, if we would trust God in the same way, with all our affairs never asking too earnestly, too importunately, certainly never insubmissively, but leaving to God what He knows to be best."

A PRAYER:

Our Saviour, into Thy loving Hands we commit ourselves, body, soul and spirit, for time and for eternity, all we are, all we have, and all we do. Into Thy Hands we commit our loved ones and our friends, knowing, that Thou wilt do for them more than we can ask or think.

We cannot choose our own way or theirs. We cannot tell what the effect on our lives, years hence, of the decision or choice which we make to day. Aye, we know not what a day may bring forth. But Thou knowest. Thy love and Wisdom make no mistakes. Whatever Thou doest will be right, for Thou knowest what is best for our dear ones and for us.

Why should we doubt or fear? Thy Hand will never cause Thy children a needless tear, and whether our lives be pleasing or painful, dark or bright, all will be well with us and them. So we commit our all to Thy care and keeping, to do as best may seem to Thee, for Thy pierced Hands, are now our guide and guide, and we can trust and be at rest knowing that all is well to day and forever."
"Amen" C. D. C.

DIPHTHERIA BEING CONQUERED:

In the October issue of the State Board of Health's bulletin a successful warfare against diphtheria is indicated in a line of statistics beginning with 1915. Then there were 525 deaths in each 100,000 population. In 1916 the number was 418, in 1917 it was 308, 1918 the drop was to 252 and in 1919 to 242. Available statistics for 1918, show that there were 252 deaths in 1,306 cases and in 1919 there were 242 deaths in 3,519 cases, the fatality in the first being 18.47 and in the second 6.88. Thus there is a marked, radical reduction in deaths. To antitoxin belongs the credit for this assault on the citadels of disease. This antitoxin is furnished by the State Board of Health at 25c which is below cost. Appropriations from the Legislature makes up the difference. The bulletin prints a letter from a woman who says her druggist charged her \$12.00 for the antitoxin. The Board does not rail at the druggist. It appeals to his moral sensibilities and asks him if he will cooperate in saving lives by selling this medicine at cost. The family doctor can get the medicine, and he is asked to do so as he should look after the financial interest of his patients as well as the disease. When results are the same he should save them money.

CONTRACTOR NOW GIVES OUT FACTS:

Gains Twenty Five Pounds And Feels Like a New Man Since Taking Tanlac.

"Tanlac has not only relieved me of my five years of stomach trouble, but I have gained twenty-five pounds in weight besides," said Robert McAloney, well-known contractor, of 33 York Street, Halifax, N. S.

"My stomach seemed to be upset all the time," said Mr. McAloney, "and it would get as sour as vinegar. Nothing tasted right or agreed with me and after forcing down a little something at mealtime I would bloat up with gas so I would be miserable for hours. There would be sharp, cramping pains all through my stomach and at times I could hardly get my breath. Many a night the gas bothered me so much that I walked the floor for weeks at a time and lost thirty pounds in weight. I was habitually constipated and had a nagging headache nearly all the time. Of mornings I felt so tired and no account it was an effort to drag myself out of bed and I had suffered so long without being able to get any better I had about reached the point

where I didn't care whether I lived or not.

"But I feel entirely different since taking Tanlac, for it has put me in such fine shape that three big meals a day without the least trouble. The constipation, headaches and fagged out feeling are entirely gone and I get up in the mornings ready for a hearty breakfast and a good day's work. I simply feel like a new man and I am glad to let others know what a fine medicine Tanlac is."

Tanlac is sold in Brevard by the Davis-Walker Drug Co., and in Davidson River by J. J. Patton & Son, and in Lake Toxaway by C. R. McNeely.
