Insurance Neglected

May mean weeping in smoke or in sadness viewing the ruins of your home.

But insurance shows business ability. Means satisfaction in protection. Means Contentment of mind. Means the saving of a lifetime's earnings. Means the comfort of old age.

Destruction has visited your neighbor and our neighboring town — It awaits us.

Insure while it waits — tomorrow may be too late.

THIS MAN DREADED TO SEE NIGHT COME

Was So Restless He Couldn't Sleep And Daylight Was Always Welcome.

"With the exception of a little milk toast, which comprised my diet for more than eight weeks, I could not eat anything," said Capt. Geo. W. Womble, residing at 105 Jennings St., Knoxville, Tenn., a highly respected citizen of that city.

"I am now able," continued Captain Womble, "after taking two bottles of Tanlac, to eat practically anything. I had a bad form of stomach and intestinal trouble for a long time and for months my condition had been such that I suffered agony. I got so I could not eat the simplest food. I tried doctor after doctor and all kinds of medicine but nothing that was prescribed for me seemed to do me any good. I had a terrible pain in my breast just over my heart and for weeks and weeks I got no relief.

"I finally got so nervous that I actually dreaded to see night come as I could not sleep and was always so restless that I would rejoice to see daylight come. I was also constipated all of the time. In fact, life seemed a burden and I was so miserable that I was almost on the verge of despair. Several of my neighbors told me about Tanlac and advised me to try it."

"I am personally acquainted with Mr. Dan M. Chambliss, of the firm of Kuhlman & Chambliss, and when I told him of my condition and how I suffered he advised me to begin taking Tanlac without delay and that it had relieved hundreds of the best people in Knoxville. I have now taken two bottles of Tanlac and am giving you this testimonial in the hope that it may induce others to take it. Since taking this medicine I actually feel like I had been made all over again with the youth, energy and ambition of a sixteen year old boy."

NEW TEA ROOM IN TOWN:

The Pink 'Possum Tea Room operated by Mrs. W. H. Stevens, wife of the well known artist, will open on July 1st, in the rear of the DeLong Five and Ten Cent Store.

Mr. and Mrs. Stevens have many friends in Brevard, having spent the winter here three years ago; during which period Mr. Stevens painted a number of beautiful pictures of our justly-famed mountain scenery, later exhibiting his work in many of the leading art shows of the country.

Mrs. Stevens is a past mistress in the preparation and serving of dainties calculated to tempt any appetite however jaded; her tea room will be cosy and attractive in all its appointments; and Mr. Stevens' latest studies will adorn the walls.

It is believed that the Pink Possum will have many hungry hunters on its trail.
