

# Insurance Neglected

May mean weeping in smoke or in sadness viewing the ruins of your home.

But Insurance shows business ability. Means satisfaction in protection. Means Contentment of mind. Means the saving of a lifetime's earnings. Means the comfort of old age.

Destruction has visited your neighbor and our neighboring town — It awaits us.

Insure while it waits — tomorrow may be too late.

## THE PRAYER CORNER

### "Not The Same"

"The same cloud was darkness to the Egyptians, gloom, hostility, confusing and hindering them; and to the Israelites light friendly, favorable, showing the way. To His own people God is light, protection, shelter blessing, but those who are fighting against Him, do not find these favorable things in Him. To the unreconciled, the thought of God brings terror and alarm.

"The truth that God sees into the heart brings to the Christian a sense of security and fills him with peace and confidence; but the same truth makes the unreconciled sinner tremble. God's providence in like manner has this double aspect.

"The Christian sees love everywhere. He knows that all things are working together for good to him because he is God's child. He sees his Father ordering and shaping all events with loving wisdom, and he is never afraid. Every flower breathes love. When he cannot understand what God is doing, he trusts and waits."

"But to him who does not have God as a friend, this same providence is a dark mystery. He has no sense of safety, no assurance of protection, no consciousness of love anywhere in the universe for him. Death also to the unbeliever is a dark cloud, filled with terrors, but to the Christian it is a glorious blaze of divine love, a pathway of light through the valley into the heavenly glory. It will be the same also in judgment. To His own people Christ will then be all glorious and his appearance will give unspeakable joy; but to the ungodly His presence will bring terror." M.

### "A Prayer"

Our Father, we thank thee that thou dost put a difference between those who love thee and those who love thee not.

To thine own people thou art light, protection, shelter, blessing, but to those who are fighting against thee, to the unreconciled, the thought of thee brings terror and alarm. The Christian sees love everywhere and knows that all things are working together for his good, because he is Thy Child. He sees Thee, his beloved father, ordering and shaping all events with loving wisdom and is never afraid. When he cannot understand what Thou art doing, he trusts and waits.

But to him who does not have Thee as his friend, there is no sense of safety, no assurance of protection, no consciousness of love anywhere. Death is also a dark cloud, but to the Christian it is a glorious blaze of divine love, a pathway of light through the valley into the heavenly glory. We thank our Thee, blessed Jesus, that in the judgment, Thou wilt be all glorious to thine own, and Thy appearance will give unspeakable joy.

Amen

LAST MONTH, on a bet.  
WITH THE boys up home.  
I SPENT a night.  
ALONE IN the old.  
HAUNTED HOUSE.  
AND WHEN I heard.  
MOANS AND groans.  
I SAID "The wind."  
AND TRIED to sleep.  
I HEARD rappings.  
AND SAID "Rats."  
AND ROLLED over.  
THEN I heard steps.  
AND IN the light.  
OF A dying moon.  
A WHITE spook rose.  
I WASN'T scared—much.  
BUT DIDN'T feel like  
STARTING ANYTHING.  
BUT THEN I caught.  
JUST A faint whiff.

OF A familiar.  
AND DELICIOUS smell,  
WHICH TIPPED me off.  
SO I gave the ghost.  
THE HORSE laugh,  
AND SAID "Ed.  
YOU FAT guys.  
MAKE BUM ghosts.  
BUT BEFORE you fade,  
LEAVE WITH me one.  
OF YOUR cigarettes.  
THEY SATISFY."

THAT spicy, delicious aroma of fine tobaccos, both Turkish and Domestic, makes you almost hungry for the "satisfy-smoke." And there isn't a ghost of a chance you'll ever find its equal anywhere—for the Chesterfield blend is an exclusive blend. It can't be copied.
