Why not give a donation to the U. D. C. Library.

THE U. D. C. LIBRARY:

To all whom it may concern, and it concerns all — It concerns you. Attention! Stop, Look, Read, Help! What? Why the U. D. C. Library. It belongs to the Town. It belongs to you. The town people have never supported it as they should, and can. Have you ever done your share? Will you do it now? The Needs of the Library are pressing and urgent. It needs Radiators. It needs new books. It needs support for its librarian. It needs money to meet these needs. These needs are reasonable. They are sensible. They should appeal to the common sense of every one, as well as to their civic pride, and interest in the welfare of their town, morally and socially. Do you know that the Library is a great attraction for our visitors? They flock there. It is one of our most attractive assets to them. We need to make it still more so, and we can if we will. Will you? ATTENTION — A canvass will be made of the town on Saturday, October 22nd, for money to meet these three needs. Radiators, Books, Librarian. Will you help? It is for your own good, the good of your neighbor and the good of our town. Every one who contributes a dollar or more will be given a library ticket. What more worthy cause could you help than this, or one whose object is so commendable as a means of furthering among us all, young and old, rich and poor, learning and brotherly kindness and thoughtful attention to the claims of the sojourners in our midst; their needs and reasonable desires? Let there be a long pull, a strong pull and a pull altogether and the Library's needs will be met, and our town greatly benefited. "He that loveth a book will never want a faithful friend, a wholesome counsellor, a cheerful companion, an effectual comforter".

THE LYCEUM ANNOUNCE "THE TEMPLE SINGERS".

Music lovers of every degree will find in the program of The Temple Singers something to appreciate for their evening's entertainment embraces a broad scope of good music. The quaint old ballads of "Ye Merrie England" create an atmosphere of mirth, while the majestic Cathedral hymns of praise, sung with fervor and reverence by these gifted artists make a profound appeal and introduce into the Lyceum a dignity and elegance that refreshes both hearts and ears grown weary of overmuch jazz and rag-time. The Piedmont Bureau was very fortunate in securing exclusive control

of this excellent quartet for this season, as the members of The Temple Singers organization will engage in Grand Opera recitals after the present season.

Make your reservations early for this extraordinary entertainment which will appear at the High School Auditorium under date of October 26 as the opening number on the local Lyceum course.

S. for calling the conference on the limitation of armaments and went on record as heartily approving and endorsing this action. The corresponding Secretary was also instructed to write the State departments concerning the better educational and tuberculosis campaign. Mrs. Chas. Smith and Mrs. H. C. Ranson were welcomed as new members, this giving the club a full membership. The program for the afternoon was in charge of Mrs. Deever, as leader on citizenship, followed by Mrs. Ranson on "Ideal Forms of Government"; These papers were very instructive and much appreciated. Red Cross Gives \$310,000 to Aid 'Clean-Up' Drive

An appropriation of \$310,000 for Red Cross work in connection with the "clean-up" campaign instituted by the Government to bring the claims of all disabled service men who are entitled to Federal aid before the proper government bureau for action, has been made by the American Red Cross. The Executive Committee of the American Red Cross in making the appropriation authorized the appropriation of \$35,000 of this sum to the American Legion to defray the expense of the Legion representatives assigned to the various districts of the Veterans Bureau.

The remainder of the appropriation was authorized for apportionment among the several Divisions of the Red Cross for carrying on that part of the "clean-up" work that falls directly upon the Red Cross organization.

Young America Sends Vast Relief To Needy Abroad

Various relief projects of the Junior American Red Cross in European countries resulted in helping 237,000 destitute children during the last fiscal year, according to the annual report of the American Red Cross for that period. The growth of the activities of the Juniors abroad is manifested by a comparison which shows this figure is 200,000 larger than that of the previous fiscal year.

The National Children's Fund raised by school children, members of the Junior American Red Cross, was drawn upon for \$420,557 for these projects. Receipts for the National Children's Fund during the last fiscal year totalled \$155,317.

Not a Thing But a Service

—The Home Town Paper

SOME folks make the mistake of thinking of the home town newspaper as a thing, a contrivance of ink and paper, sometimes not a great quantity of either, when compared with big city papers. But the home town newspaper is not a thing, it is a service, just the same as is the telephone. And just as the \$12 or \$15 a year which we pay for the telephone service seems not too much, so is the \$2 or \$3, which at most is charged for the home town paper, trifling, compared with the real service which the paper, itself an institution, renders to all the other institutions of the community.

THE HOME TOWN PAPER—COMMUNITY INSTITUTION

YES, the home newspaper is a community institution, like the church and the school and the farm and home bureaus. It is being so recognized by the state agricultural colleges, which see that it is helping and can help still more to create and envelope a wholesome, satisfying rural and small town life. If you are interested in community life you will want to have a part in home paper week.
