

Brevard Institute
 BREVARD, NORTH CAROLINA

Departments—College Preparatory, Normal, Music, Business, Domestic Art, Household Economics, Agriculture.
 All departments are directed by teachers with special training and large experience. They know their business.
 Influences of the Institute are able to wait the cost of tuition.
 Opens on September 3.

SOME SMILES

Proper, Indeed.
 Officer (drilling recruits)—Hey, you, in case of fire, what do you do?
 Recruit—I yell.
 Officer—Yell what?
 Recruit—Why, what do you suppose? Cease firing.—Paris Le Rire.

In Vaudeville.
 "Who is this dame, in vaudeville?"
 "A lady who shot a gent."
 "Well, she can't dance, sing or act. Why doesn't she put up a target and stick to her specialty?"

News From the Honeymoon.
 Father—It's a telegram from daughter: "Having a lovely time, am thinking of you constantly."
 Mother—There now—he's taught her to tell lies already.

Maybe So.
 "I think most of us get a 'square deal."
 "Well?"
 "But sometimes we don't know how to play our cards."

Stretched the Truth.
 Hub—What in the world induced you to buy a rubber plant?
 Wife—The salesman said if you're smart you can grow your own automobile tires.

Makes Him Anxious.
 Caller—I suppose you often go out to teas.
 Mrs. Burgins—Yes, to tease my husband. He thinks I've gone shopping.

Too Experienced.
 She—Enthusiasm is contagious.
 He—Not always. I've courted girls who didn't seem to share my enthusiasm in the least.

Stone Broke.
 "What's the matter with Jack; hasn't he the sand to propose?"
 "Oh, yes, but he hasn't the rocks to get married."

LITERALLY
 "I've decided to buy cheaper hats in the future, dear."
 "Good! That will reduce overhead expenses."

Algy's Finish.
 Algy met a bear.
 The bear met Algy.
 The bear grew bulgy.
 The bulge was Algy.

The Irrepressible Promoter.
 "A 'get-rich-quick' promoter has finished serving his prison sentence."
 "I suppose he improved the shining hour and left with the best wishes of everyone at the prison?"
 "Oh, yes, particularly of the warden, who invested the savings of a lifetime in a new scheme guaranteed to pay a profit of 100 per cent."

Help Wanted.
 "Can I be of any service?" asked the sympathetic motorist.
 "Yes," replied the man who was in distress. "I'm a preacher by profession. If you'll just come over here and address a few appropriate remarks to this infernal flivver of mine I'll be extremely grateful."

The Joker in the Transaction.
 "I understand you are trying to sell your farm and all the live stock."
 "Yes," replied Farmer Cornstossel. "The deal has got to cover everything. I've got a mule that I've made up my mind to get rid of, and the only chance of doing it is to put the animal across as an incidental item."

Pa's "Joke."
 "Edith, your mother tells me that you serve refreshments to all the young men who can call on you."
 "Yes, papa."
 "Well, you must think I have money to burn, feeding the flames that way."

Deeper Than Most.
 Bacon—I see a vocational school for its employees has been established in an Idaho mine 14,000 feet under ground.
 Egbert—Evidently trying to make deep thinkers of the men.

No Room to Spare.
 Raggle—There is one point upon which I have made up my mind.
 Miss Keen—A point, I should say, is sufficiently large for the purpose, Raggle.

Mind Reader.
 Dixon—Holy Smoke—I just met my wife on the street.
 Bixon—I'm sorry, old man, I haven't a cent I could lend you.

Buy a pipe— and some P.A. Get the joy that's due you!

We print it right here that if you don't know the "feel" and the friendship of a joy's jimmy pipe—**GO GET ONE!** And—get some Prince Albert and bang a howdy-do on the big smoke-gong!

For, Prince Albert's quality—flavor—coolness—fragrance—is in a class of its own! You never tasted such tobacco! Why—figure out what it alone means to your tongue and temper when we tell you that Prince Albert can't bite, can't parch! Our exclusive patented process fixes that!

Prince Albert is a revelation in a makin's cigarette! My, but how that delightful flavor makes a dent! And, how it does answer that harkering! Prince Albert rolls easy and stays put because it is crimped cut. And, say—oh, go on and get the papers or a pipe! Do it right now!

the national joy smoke

Nature Made Floors

When you invest your hard earned money in floors for your home you have a right to expect not only wearing quality but satisfying appearance as well. Nature has already answered this requirement. The right wood for just such floors is standing now on many a wooded hillside.

We can say truthfully that some of this lumber is in our yard. It is Nature's best flooring.

Permanence and Beauty

The cost of the right flooring—purchased here—is small compared to the service it will yield.

Let us help your home building or renovating in any way we can. Not only can we supply the best floors for any purpose but our supply of lumber is adequate to meet all needs. Call on us for

Insurance Neglected

May mean weeping in smoke or in sadness viewing the ruins of your home.

But Insurance shows business ability. Means satisfaction in protection. Means Contentment of mind. Means the saving of a lifetime's earnings. Means the comfort of old age.

Destruction has visited your neighbor and our neighboring town — It awaits us.

Insure while it waits — tomorrow may be too late.

BIRD'S ROOFS

Want a Low-priced Rugged Roof?

COME in and stand on an unrolled stretch of Bird's Granitized Roll Roofing. You'll say this heavily mineral-surfaced roofing is just the toughest and sturdiest roofing you ever saw at anywhere near the price.

It is the lowest-priced roofing we recommend. Just the thing for roof or siding that barn, garage, shed or storehouse of yours.

Drop in and let's get down to figures on roofing or any kind of building supplies.
