This is far below cost. I MUST

## THE DOOR SLAMS ON HAPPINESS.

POOR BLOOD MAKES  
BAD HEALTH — THEN  
COMES THE "BLUES".

Once the vigor of red blood becomes sapped of its strength, the door to happiness is literally slammed. Weariness of body follows and it unfailingly engenders depressed thoughts. To be reserved and cheerless becomes a habit. After a time there is an almost filmy dimness in the expression of the eyes and a pallor to the skin. Days seem dull and dark and difficult. A sense of insufferable gloom pervades the spirit.

Then it is that Gude's Pepto-Mangan is the great help. It is a red blood builder. It puts red into the blood — increases the number of corpuscles which make blood rich and red. When the blood is restored to its natural healthy state, the sensation of well-being returns. Instead of shuffling along carelessly, there is the firm and springy step, the bright lusterful eyes, the clear complexion, identified with the strength and vigor of good health. The druggist has Gude's Pepto-Mangan in both liquid and tablet form. Advertisement.
