

## OUR RALEIGH COMMUNICATION

Raleigh, N. C., January 30.—The first snow storm of the season covered this city to a depth of eight inches on Saturday morning. The fall started Friday night and with it came a stiff breeze from the north which continued uninterrupted until Saturday morning. Street car traffic was blocked for hours on Friday and many automobiles declined to "navigate." People walked with difficulty to their work and down town cafes reaped a harvest during luncheon hour on account of the interruption in street car and jitney traffic. From sixteen to twenty-four inches of snow was reported farther east and Winston-Salem on the west complains of the heaviest snow since 1899. Temperature in Raleigh did not fall below 18, but the unexpected change drove everybody to cover except those who were of necessity compelled to face the storm on missions of business or relief. No fatalities have been reported and the "Raleigh poor" has little cause for complaint.

Bad weather for the past week has again interfered with the plans of those having in charge the campaign for funds to be applied to the Woodrow Wilson Foundation and Mrs. Joseph Daniels, chairman of the committee for North Carolina, states that a number of counties have asked for an extension of time. Reports for the week are encouraging and prediction is made that contributions in the State will exceed the amount anticipated when the quota of \$35,000 was named for North Carolina. There has been no general campaign and no general solicitations for donations. In many places only those known to be in sympathy with the ideals of Mr. Wilson have been asked to contribute. A few days more and the opportunity to have a part in this proposed memorial to America's greatest statesman and humanity's greatest benefactor will have passed. "Now is the time to subscribe."

## BREVARD PRESBYTERIAN SUNDAY SCHOOL:

The School is in excellent shape. Mr. Fred Harris has recently been elected superintendent; Mr. Hinton McLeod, asst-superintendent; and Mrs. A. N. Jenkins, organist. There is a splendid corps of teachers. Mr. McLeod's class of older boys is one of the new and promising features. Mr. Harris comes from two years of very successful work as superintendent of the Davidson River Sunday School.

The school holds its opening exercises in the new Hut and then the older classes go to their place in the church, leaving the Hut entirely to the Primary Department. Recently the cabinet of the S. School held a very enjoyable business and social meeting in the Hut. This is to be a monthly event. During last week Mrs. E. W. Blythe and Mrs. C. P. White gave a joint social at the Hut to their classes of younger boys. Mr. John White was present and presided over the games of the youngsters.

## NEW ENTRANCE GATE TO BREVARD INSTITUTE.

A very impressive and unique entrance gateway has recently been erected at the junction of the Institute Avenue with R. R. Street, consisting of a central opening flanked with tall massive pillars bearing on their capitals electric lanterns and on their fronts bronze plates bearing the school name and that of the society which donated the gateway. These pillars are supported by buttresses which curve down to smaller pillars on either side which flank the two smaller openings on the sidewalks.

This work is all of our native cobblestone and is considered one of the best specimens of that art in the county. The stones have been carefully selected as to shape and artistic effect, the joints partly recessed and the whole cleaned down with acid.

## ATTENTION I. O. O. F.

The State Degree Team will be in Hendersonville sometime in April and request that Connestee Lodge meet with them and furnish candidates.

A banquet will be one of the features. All local Oddfellows are asked to see A. E. Hampton for further particulars.

## BREVARD INSTITUTE NOTES.

New students arriving for the second term include: Misses Maud Station, Mary Lowder, Eloise Crowell, and Messrs. Joseph Davis, and Herbert Young.

Miss Bessie Smith, a graduate of B. I., who afterwards became a Red Cross nurse and was in France during the late war, is making her headquarters at the Institute and will be engaged in community nursing.

Miss May Crary was a dinner guest of Miss Pike last Thursday night.

Ivey Shuford, our mail carrier, who had a violent attack of pleurisy Saturday night, is better and will probably soon be out again.

Misses Annie Zachary and Lucile Hubbard spent the week end with their parents.

## THE MAN OF THE HOUR

An Outstanding Man in History Who Was Equal to a Great Crisis

The series of Sunday evening sermons that Rev. Chas. C. Smith is preaching at the Baptist church is attracting no little attention in the town and community. The attendance is fine, and no doubt a number are finding real help for their daily lives from listening to these character sketches of men of the old time and the application of lessons drawn from them to men of today. The Series is entitled, "Seven Old Time Men, and Their Lessons for Men of the New Time." Next Sunday evening at 7:30 Mr. Smith will preach the fourth in the series, the subject being, "Moses, the Man of the Hour, or, The Wonders of Divine Intervention."

Undoubtedly Moses was one of the great characters of all time, and his announcement that he will be discussed should attract the largest congregation of the series up to this time.

## FORD RETAIL SALES GO OVER MILLION

Show Increase of 105,000 Cars and Trucks Over Previous Year

Retail sales of Ford cars, trucks and Fordson tractors have again exceeded the million mark for the year 1921, according to a statement given out today by the Ford Motor Company.

The Ford factory and assembly plant production figures reached a total of 1,050,740 cars, trucks and tractors for the year, with retail sales by dealers approximating 1,093,000, which in the United States alone surpassed the 1920 retail sales record by 104,213 Ford cars and trucks.

The Ford Company says the outlook for 1922 is decidedly optimistic. In fact, concrete evidences already exist in that car and truck retail sales for December 1921 exceeded December 1920 sales by almost 25 per cent, and Fordson tractor retail sales for the same periods show an increase of over 100 per cent for December 1921, as well as an increase over the total tractor sales for the month of November.

These facts seem to indicate that not only are the farmers buying more freely, but that the general public is becoming more responsive and receptive.

Another point brought out by a comparison of production figures for the past two years shows that Ford enclosed cars are gaining in popularity, as 23 per cent of the 1921 production were Sedans and Coupes as against a total of 18 per cent for the year previous.

Recent reductions in Ford car and truck prices brought them to a new low level. The Touring car now sells for \$348, the Runabout for \$319 the Coupe for \$580, the Sedan for \$645, the Chasis for \$285, and the Truck for \$430, all F. O. B. Detroit.

This is the fourth price cut in the past sixteen months. During that time the price of the Touring Car alone has been cut from \$575 to \$348, a reduction of 40 per cent. Reductions on some of the other types have been even greater.

The Ford Company believes that this reduction, while not a large one, is especially important at this time, as it should go a long way toward stabilizing market conditions.

Ford is giving employment at present to approximately 40,000 men in

## MEMORY OF JOSEPH E. DUCKWORTH:

"Green grow the sod above thee,  
Friend of my early days,  
None knew thee but to love thee,  
None named thee but to praise."

The passing of "Uncle Joe" Duckworth removes one of the most widely known and highly beloved private citizens the good county of Transylvania has produced in a generation. He remained a private citizen through a long, honorable, fruitful life because public office did not appeal to him. He was always too busy administering to the needs of his family and advancing the interests of friends to seek honors for himself. Finally, his labors in this life over and his work well done, he answered the call of the Master, and as gently as the leaf falls on an autumn day, closed his eyes in sleep, to awake to the glories of the life beyond. We shall never again experience the touch of that friendly hand, or enjoy the genial fellowship that was his to give. Let those of us who have been the happy recipients of his numberless deeds of kindness pause at memory's altar with a flower of love and affection for this beloved friend, mingle our tears with those of the bereaved family and friends and recall, with them, the virtues of the departed.

Joseph E. Duckworth was a man of industry and sterling integrity; one who did not live unto himself alone, but a man who found pleasure in encouraging those around him to bravely face the storms of life and not become despondent in the hour of trial and disappointment. My acquaintance with Mr. Duckworth covers a period of years extending from early childhood, and I have long considered him one of the finest types of true citizenship. He was generous, likeable, loyal, ever watchful of the good deeds recorded of others and never faltering in his devotion to the best interests of his state and society in general, strong convictions and the courage to assert them. Unswerving loyalty, devotion to family and friends and the inflexible purpose to act well his part in all the relations of life were predominant amongst the numerous admirable traits of character noted in his long and successful career as the prince of good fellows.

One by one the stars go out! One by one the pioneers of our civilization are crossing the river! With sorrow we write their names on memory's crowded page. To the bereaved family and a wide circle of admiring friends, the life of "Uncle Joe" Duckworth is a benediction and his death like the descending sun at evening time leaving the skies rosy with the radiance of hope. The loss to those who survive is gain to the innumerable host of the true and the good beyond this vale of tears. Raleigh, January 30 1922.

## FIRST SNOW FALL THE CAUSE OF PAINFUL INJURY:

On last Friday night a crowd of young folks were tobogganing on Cooper's hill and John White, son of Mr. and Mrs. E. P. White, suffered a very painful injury. John ran into a bob wire fence cutting his forehead from eye to crown, a deep gash. It required ten stitches to sew up the wound. John is again going school and is apparently as well as usual.

## CITY MARKET CHANGES BUILDINGS:

The city market has been moved from the King building across the street into the frame building between Clement's Jewelry Store and Plummer & Trantham's Department Store.

S. F. Allison, proprietor, believes the new quarters will give better satisfaction in every way as there are no steps to climb and the building better situated for the sun's penetration. A large supply of staple and fancy groceries and foreign and domestic fresh and cured meats has also been added to the already large stock on hand.

his main plant at Detroit, the importance of which is emphasized when consideration is given to the fact that nearly 20 per cent of the city's population is directly dependent upon the Ford Motor Company.

## ASSOC. CHARITIES FOR BREVARD

Mass Meeting Held In Baptist Church Sunday Evening — D. Hidden Ramsey Speaker.

On Sunday afternoon quite a number of citizens attended the Mass meeting called for the organization of an Associated Charities by the Rev. John C. Seagle.

The meeting opened with prayer by Rev. L. A. Falls.

Rev. John C. Seagle then stated the object of the meeting and after reading the proposed constitution, which was adopted; proceeded with the election of officers, and the following prominent Brevard citizens were elected:

Thos. H. Shipman, president; C. H. Trowbridge, Vice-President; Ralph Duckworth, Secretary; Mrs. A. T. Perkins, Treasurer; Lewis P. Hamlin, Auditor.

Rev. C. C. Smith then pointed out that while all members of the different churches were expected and urged to join the Associated Charities, still the churches would, as usual, take care of their own individual members who might happen to be temporarily in distress and the churches did not want their members to apply for aid at any time from the new organization. Mr. Smith then introduced the Hon. D. Hidden Ramsey, editor of the Asheville Times and the active head of the Asheville Associated Charities. Mr. Ramsey made a short but very interesting address.

## MAYOR MITCHELL MAKES APPEAL.

Appoints Committee of Ladies To Form Teams To Raise Funds For Starving Jewish People.

T. M. Mitchell has appointed the following ladies of Brevard as a committee to canvass Brevard for funds to relieve the starving Jewish people of Europe:

Mrs. Z. W. Nichols, Mrs. Welch Galloway, Mrs. David Ward, Mrs. S. C. Yates, Mrs. Ernest Norwood, Mrs. J. S. Silversteen and Mrs. J. W. Smith. He has suggested that the ladies call a meeting and make their own plans, etc., at an early date.

The news that comes from Europe of the destitution of hundreds of thousands of Jewish people must sadden every warm-hearted man and woman in Transylvania. The fact that there are 400,000 Jewish refugees riven from their homes by starvation and murderous raids is an appeal to the generous instincts of our people, which they must and will heed.

America gave its best blood and of its wealth not only in the war, but to feed starving Belgians and Armenians and Chinese and other destitute peoples. Until stability and order are restored America will continue to make sacrifices to save children from extermination.

In every movement for helping the suffering men of all creeds and races, our Jewish fellow-citizens have vied with all other Americans in sacrifice and service. I am sure that the appeal to be made during the week beginning February 6th for the Jews in devastated Europe will be responded to not only by men and women of their own race but by all Transylvanians, whose hearts are touched with pity for suffering peoples.

Any donations may be left with T. M. Mitchell, at his grocery store.

## REV. JOHN R. HAY GETS CALL FROM LOWRYVILLE.

The following clipping is taken from the Chester News of January 24th, 1922.

Rev. Jno. R. Hay, of Brevard, N. C., has been called to the pastorate of the Presbyterian church at Lowryville. Rev. Hay is well known and has many friends in Chester who trust that he will accept the call.
