**A STORY THAT TELLS MORE
TRUTH THAN POETRY**

Says Harding to Wilson, one day in a chat,
"The laborers are living entirely too fat,
They get good wages, and wear good clothes,
Too independent, the good Lord knows.

You've been here a full eight years,
And labor troubles always seem near;
You have help raise wages, and gave relief,
Which you must know, that's against our belief.

The eight hour law you brought about,
Which made the big man puff and pout,
To think that he had loss his say
As to how much work, and how much pay.

When I'm elected, I'll bring about,
A decided change, when you are out,
We'll shut down mills and cut off crews,
Till we have more men than we can use.

We'll pay less wages to working men,
Work longer hours—not less than ten.
We'll certain put them on the hike
When we pass laws that they can't strike."

Wilson said, "I hope never to see
Men bound down whom I get free.
You'd bind men down with fetters
and chain
Who have been free since Father
Abraham's reign.

We remember when from Egypt's
land
Moses led the Israelite band,
Taking from Pharaoh's host,
Leading them to the Red Sea coast.

The waters parted under pointed rod,
Which was guided by the hand of God
And stood like a wall from coast to coast,
But closed in upon old Pharaoh's host.

For me to lead the people out,
By inspiration it came about
From under the load of Wall street sin
Which for fifty years they had traveled in.

We traveled on until we reached the sea,
When dazzled by gold and panoply,
The people were weary and sat to rest
Proving unable to stand the test.

Soon they were lulled into profound sleep,
And before they crossed the mighty deep,
Up came the guard with stronger chain
And bound them to Wall Street again.

Four years of poverty lie ahead—
We shall hear our children cry for bread.
But with patience we'll bear it as before,
And we'll get their hides in twenty-four."

**NOT DUE TO SEX
ALONE**

Brevard Women Have Learned The Cause of Many Mysterious Pains and Aches

Many women have come to know that sex isn't the reason for all back-aches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well-recommended by Brevard people. Ask your neighbor. Read this case:

Mrs. E. E. Loftis, Whitmire St., Brevard, says: "I had kidney trouble and don't know what brought this complaint on. I felt all run down, my kidneys were out of order and dizzy spells often came over me. I heard of Doan's Kidney Pills and got a supply and after using them I soon felt like myself again. Continued use relieved me of this trouble."

Teach Children To Save

Start the kiddies right by making them *want* to save their money. A personal savings account in a high-class banking institution like this, where children are given the proper attention and encouragement to handle their own finances is a good start in the right direction. One dollar opens an account.
