

THE PRAYER CORNER

Our National Holiday
Ninety-six year ago an ever-memorable event occurred in connection with

"The National Holiday"
On July 4, 1826, John Adams, the second President of the United States died in the ninety-first year of his age and Thomas Jefferson, the third President died on the same day at the age of eighty-three.

Jefferson, on July 3, asking those around him the day of the month, had expressed the wish to live to see the dawn of the fiftieth anniversary of the Great Declaration which he had drawn and signed, while Adams, on being asked, when the bells rang and the cannon fired, if he knew what day it was, had replied, "Oh, yes, it is the glorious Fourth of July. God bless it." So say we all. Read Psalm 66.

A Prayer

The Fourth of July
O God, whose name is excellent in all the earth, and Thy glory above the heavens, who as on this day didst inspire and direct the hearts of our delegates in Congress to lay the perpetual foundations of peace, liberty and safety—by putting forth

"A Declaration of Independence", we bless and indignify Thy glorious majesty for Thy loving kindness and protection. We pray Thee to increase in us a spirit of love and thankfulness to Thee and a spirit of fervent zeal for our religion. Help us to improve the blessing Thou hast given us to advance here and through out all the world.

O God, we thank Thee for all the privileges Thou hast opened for us in this land. We bless Thee for the wise laws and the good institutions which have come to us from those who laid here the foundations of the American nation. Help us to spread the cause of liberty and justice throughout all the world, so that all men may feel themselves bound together in peaceful bonds and so that strife and tumult may cease and wars shall be no more. May we realize the high honor of helping to bring about on this earth the blessed rule of Thy Son so that Thy will may be done here as it is in Heaven.

And all this we ask through our Saviour, Jesus Christ, Amen.

A CAR FOR THE HOME DEMONSTRATOR

Mrs. McKimmon, State Home Demonstration Agent, has provided a car for Miss Clarke's use in the work of the county. The car was greatly needed, especially during the summer months, and the Home Demonstration will be enabled now to do more constructive work than ever among the county clubs. Transylvania may well appreciate this, as ours is the only

county in the state so favored. Mrs. McKimmon values so highly what has already been done, as well as the enthusiastic support of the people, that she wishes to help advance and make permanent the Home Demonstration work in Transylvania county.

**Spend the Fourth
At Franklin Lake
AND PARK**

Here you will find a wonderful playground for your special benefit with a beautiful rock spring flowing with pure, sparkling mountain water. The sloping hills, which completely surround the new lake, have been thoroughly prepared for a day's outing, picnic tables, benches and everything necessary for the visitors benefit has been accomplished. The lake covers about two acres and is from one to twenty feet deep. The water is cool and pure, always running in and out of the lake. There is an enclosed, planked, floored bathing place for the smaller children about 100 square feet.

Private lockers, private dressing rooms, etc., are ready for your convenience. A one hundred foot long sandy beach is also a special feature. Automobile parking places are also on the grounds and the road is good.

A new confectionary store and rest room have just been completed. It's the place you have longed for—use it.
