Insurance Neglected

May mean weeping in smoke or in sadness viewing the ruins of your home.

But Insurance shows business ability. Means satisfaction in protection. Means Contentment of mind. Means the saving of a lifetime's earnings. Means the comfort of old age.

Destruction has visited your neighbor and our neighboring town — It awaits us.

Insure while it waits — tomorrow may be too late.

KNOWS MEN BY NICKNAMES

Legion's National Adjutant Has Acquaintance Among Members of the 11,000 Posts.

There is one magnificent difference, among others, between the American Legion of today and that Legion of C. Julius Caesar's day. No one in the latter outfit knew more than a cohort or two of private soldiers and ordinary officers by their first names. The American Legion has a man who knows thousands of his Legionnaires by their favorite nicknames. But Caesar's hosts didn't have any national adjutants to speak of.

Legion posts are established in practically every community in the United States and Legionnaires have carried their flag into 20 foreign countries. In every one of these far-flung 11,000 posts there are one or more men who know Lemuel Bolles. Mr. Bolles, then, knows them. Ever since the Legion was organized in France Mr. Bolles has been identified with it. Since its first convention in Minneapolis in 1919 he has been national adjutant, and as such he has met personally or corresponded with thousands of Legion men and women. His duties have taken him into almost all the 48 states during these three years, and he receives a thousand or so letters each week. He has, without doubt, the largest personal acquaintance with men of arms ever enjoyed by any individual since armies were invented.

Mr. Bolles was born in Minneapolis, grew up on the ranges of the Dakotas and was established in Seattle, Wash., when he entered active service for the World war. He began his military career as a private in a National Guard company. Overseas he served as a colonel on the general staff of the First army corps, and was decorated with the Legion of Honor of France.

PLAQUE TO AMERICAN LEGION

Bronze Souvenir Is Presented to Organization by Le Journal, the Paris Newspaper.

A beautiful bronze souvenir, presented by Le Journal of Paris, the newspaper which carried the first news of the Yanks' activities along the front four and five years ago, to the American Legion, composed of

Bronze Souvenir From France.

those same Yanks, has just been installed in the new trophy room at Legion headquarters.

The plaque is made from the bronze that was used in the manufacture of the famous French seventy-fives which helped saved Paris during the war. The inscription on the shield says, "To the American Legion: in remembrance of its dead and appreciation for its members. With memories and with hope!"

Carrying On With the American Legion

"Main street" has been lifted out of the mud by the American Legion post of Bristow, Neb. The post assembled 80 men and 30 teams and graveled the well-known thoroughfare in two days.

It is the aim of the Legion to carry the news to all ex-soldiers that they can still reinstate their war-risk insurance policies with all war-time advantages. This can be done up to March 3, 1926.

American Legion men of Hibbing, Minn., have endowed a bed in their local hospital and in the Legion hospital at Rochester to provide emergency treatment for their sick and wounded comrades.

Payment of old debts takes the lead in the spending of the state compensation allowance received by the ex-soldiers of Ohio, according to a poll taken by the American Legion. Savings deposits make the second largest item.
