A SALE WITH ABSOLUTELY NO COMPETITION

Patterson's big End-of-the-Season Sale is now ending its second week. During the opening days, and even later, our store has constantly been packed, jammed and crowded with customers who are taking advantage of the low prices offered on our high quality merchandise.

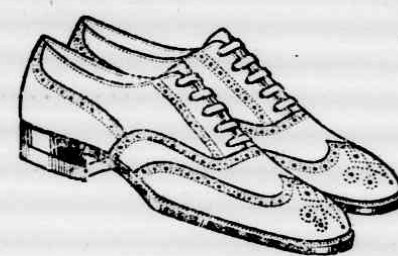

The reason is that Brevard and Transylvania county people have already begun to find out that PATTERSON HAS NO COMPETITION when it comes to quality and low prices. The proof of the pudding is in the eating when you buy at Patterson's you get all the proof you want that Patterson's cannot be beat for service quality and low prices.

In the meantime new shipments of merchandise have arrived and have been added to our stock. Among these are new fall and winter goods, and in order to make this first big sale here a success, Patterson is offering extra reductions also on these late and brand-new goods, just received from the markets.

REMEMBER also that this is a brand new store, with brand new merchandise. There is nothing here carried over from year to year and finally dumped "on sale." Every article offered represents high-class quality and sells elsewhere from 25 to 30 per cent over and above the price asked by Patterson.

Come in and be convinced. Every table, every counter and every nook and corner in this store abounds with bargains. Buy now for the months to come and save three dollars and more on every ten you spend.
