BAPTIST OF THE SOUTH TO PUT ON GREAT CAMPAIGN

October and November to be Months of Activity

Southern Baptists, at their recent convention in Jacksonville, Fla., decided by unanimous vote to put on during the months of October and November a great re-enforcement campaign to back up the 75 Million Campaign inaugurated in 1919. This campaign has three great objects in view:

First, a number of pledges made in 1919 have not been paid, and it is hoped that by bringing the campaign home to the people that they will see the obligation made, and the great need, that they will be willing, even at large sacrifice, to pay their pledges in full to date. The second objective is to reach the hundreds of thousands of new people who have joined the Baptist churches in the South since 1919, and to enlist them in giving to the mission work of the denomination. The third objective is to enlist more of the inactive members of the denomination in active church work and some form of Christian service.

Every association in each of the states in the territory of the Southern Baptist Convention will be thoroughly organized, and a systematic canvass of the unenlisted in all of the churches will be made between the last Sunday in November and the first Sunday in December, just as in the 75 Million Campaign. In each association there will be an Organizer, who will endeavor to get each church organized and ready for the great week of enlistment.

Rev. Chas. C. Smith has been appointed Organizer for the Transylvania Association, and soon will announce his plans for the organization of the association. On Tuesday, September 19, there will be a statewide meeting of North Carolina Baptist leaders held in Raleigh to perfect plans for the campaign in this state, and Mr. Smith expects to attend this meeting.
