Good Healthy Crops

The South learned years ago that Kainit and the other German Potash Salts prevented Cotton Rust and other plant diseases, and at the same time greatly increased the yield.

Scientific investigations now show that both Potash and Magnesia are helpful in combating plant diseases.

All the German Potash Salts that are used in Cotton fertilizers contain soluble magnesia.

If you will insist on having your fertilizer contain at least 5 per cent of Potash derived from Genuine German Potash Salts, you will secure at the same time enough magnesia to insure against plant diseases due to magnesia hunger.

For Tobacco, and for those Fruits which are injured by Chlorin, the fertilizer should carry 10 per cent of Potash, derived from Sulfate of Potash or from Sulfate of Potash Magnesia.

Use the latter if your Tobacco leaves are not sound.

It is true that often the things we hope for fail to put in their appearance, but think of the wonderful compensation we get in the good things that appear so unexpectedly.—Lloyd.

TIMELY TIPS

Use glycerin instead of oil to lubricate the egg beater, meat cutter and such utensils, as it will not impart a taste to the food.

Rub the grater lightly over a burned cake, holding it so that the crumbs will fall off. If carefully done all of the scorched cake will be removed.

To dry lettuce quickly for serving, wash and wrap in a large cloth, step out on the porch and wring the cloth several times. This will dry the lettuce. If time is not pressing, just hang it in the cloth.

A chest of soft wood, well oiled once a year with oil of cedar is just as effective against moths as the best cedar chest.

To clean a rusty knife, thrust it into an onion and leave it for a short time.

When washing dainty white undergarments, add a tablespoonful of sugar to the rinsing water; this will stiffen and give them the new look after ironing.

Clean velvet with gasoline-moistened cornmeal; rub well, repeat until all soil is removed, then brush with a stiff brush. Very delicate velvet can be cleaned with flour and gasoline, making a paste, then proceed as above. White gloves may be cleaned with this same method.

A few drops of kerosene on a cloth will keep the bath tub and sink clean.

Save all bits of paraffin left from jelly glasses. A small bit added to the hot starch will keep it from sticking when ironing. A piece used with the stove cloth will keep the range shiny and clean; it will also keep it from rusting if the stove is not in use.

Into a pan which has been scorched place a teaspoonful of soda and cold water to cover. Set on the back part of the stove and the dish will be easily cleaned after standing a hour or two. Buffaloes bugs and moths do not enjoy turpentine. Put a small wad of cotton batting moistened with turpentine in boxes or drawers where such insects are found.

What you fear, you attract. Eliminating bad does not mean a total lack of virtues, but it does mean freedom from that which would hamper and withhold you from success. Atkinson

SEASONABLE FOODS

A most attractive sauce to serve with cold hams is

Green Olive, Mint

Sauce.—Take one-fourth of a cupful of vinegar, one-fourth of a cupful of each of orange juice and chopped olives, one-half teaspoonful of sugar, one-fourth of a cupful of finely minced mint leaves. Let stand after mixing on the back of the range for an hour. Serve cold.

Lamb, Oriental Style.—Take one pound of the shoulder of lamb, one-fourth of a cupful of chopped onion, one cupful of lamb broth, two cupfuls of canned tomato, two cupfuls of string beans, pepper, salt and six tablespoonfuls of flour. Cut the lamb in two-inch pieces, brown in a hot, well-greased frying pan, then put into a casserole. Put the fresh beans, onion, tomato, salt and broth onto the meat and cook until tender, well covered. Remove the meat and vegetables to the center of the platter, around this place a border of cooked rice and pour the gravy around the rice. Sprinkle with parsley and serve.

Bread, Cheese and Custard Dish.—This is a good dish for supper or luncheon. Spread slices of bread with a thin coating of butter and sprinkle generously with grated cheese. Place the bread in a well-buttered baking dish. When bread and cheese sufficient to serve the family is placed pour over a custard, using a pint of milk, two eggs and a bit of salt and paprika. Dust the top of the dish thickly with paprika and bake in a moderate oven until the custard is set. Serve hot from the dish. Properly baked this dish will be like a fluffy omelet.

Chopped Steak en Casserole.—Put

two cupfuls of finely chopped steak in a well-buttered casserole, season with celery salt, salt, pepper, mushrooms and tomato catsup or Worcestershire.

Surround the steak with rice, pour over two cupfuls of boiling water and bake for an hour and a half in a moderate oven. Keep covered while cooking. Serve with tomato sauce or brown gravy.

Chicken Terrapin.—Chop one cold roast chicken and one boiled sweetbread fine. Make a cupful of rich white sauce with cream and four tablespoonfuls each of butter and flour cooked together. Add the chicken and sweetbread, cut into pieces, season with salt and pepper to taste. Let it heat over hot water for fifteen minutes and just before serving add the yolks of two eggs well beaten and one-fourth cupful of orange juice.

TEACHER PAYS IT GLOWING TRIBUTE

Declares Tanlac Ended Indigestion, Chest Pains and Palpitation—Lost Strength Restored.

"Tanlac has improved my general condition ten times more than I anticipated," recently stated Herbert A. Guttle, a well-known school teacher of Kezar Falls, Maine.

"My trouble began with a sudden loss of strength. Almost everything I ate disagreed with me and caused a steaming sensation that remained with me for hours. For months I found breathing difficult on account of indigestion, and had such chest pains and palpitation I thought my heart was affected. I also suffered greatly from headaches and nervousness, seldom slept well, and felt tired and worn-out all the time.

"Since taking Tanlac no kind of food hurts me and I have a wonderful appetite. I have gained ten pounds, breathe freely, sleep perfectly, and feel as strong and well as ever in my life. Tanlac is certainly a superior medicine."

Tanlac is for sale by all good drugists. Over 25 million bottles sold.—Advertisement.
