FOR NEXT WEEK

The Brevard News usually issues ten pages three years ago we averaged about six, then eight, and now it is over the mark. For next week we will bring some mighty interesting news in the way of new buildings, new industries and some other wonderful things that are about to be developed in "The Land of Waterfalls." Our subscription price, will be raised in a short time you can't have any for five years at the present price.

R. H. ZACHARY AS BUSINESS MANAGER

The Truck Growers Association could not have decided to elect a man better fitted in every way to head their organization than the Hon. Ralph H. Zachary.

For many years this prominent citizen has dreamed of such an organization for "The Land of Waterfalls." He knows the value of cooperation between the merchants and farmers, he is lived in the county as a farmer, he is in the city as a civic leader and he is undoubtedly the one man who can lead "The Truck Growers Association" over the top.

Why has not been held spell-bound by that thrilling enthusiastic effect while listening to this "oration" as he led them with the master touch from "The Brevard News" through "The Land of Waterfalls" into upper Sodom and Gomorrah?

APPRECIATES THE NEWS

Editor, Brevard News:

I have read a few words of praise in regard to your worthy paper, the Brevard News. It reflects credit on the editor of its worthy contributions and their many selfless promoters and leaders who do much for us. The "weekly sermon" from "The Brevard News" seems so true and right. I delight to read those prayers and all of the great influences for good that your paper is yielding. How many are taking it and reading it; it should be in every home. It would help the editor and, oh! the help it would be to the citizens of this town and county. Those just mentioned are all—it is a progressive, clean and worthy newspaper for all to read. Wishing prosperity to you in a wide circulation of your noble paper in 1923.

Truly,  
MRS. A. C. SMITH

B. Y. P. U. MEETING

Brevard, N. C. February 5, 1923

Probably no previous period of Southern Baptist history has had as many opportunities for constructive service to the denomination as will be offered to the members of the B. Y. P. U. in the next two years, especially during 1923 in connection with the 75 Million Campaign.

Among the most prominent of these opportunities is stewardship. The local churches are especially urged to stress this doctrine more vigorously than ever before. In the Baptist Center of Transylvania Association we are thoroughly indoctrinated on the whole subject of Christian Stewardship, stewardship of money, gifts, and also of time, talent and even life itself. The county can be taken for Christ and become more efficient in winning the whole world for Him. Young people are the mainstay, both in promoting this doctrine among the members in general and in the adoption of the doctrine as a life principle.

Evangelism and enlistment in Christian service, also the extension

In behalf of the Department of Home Demonstration work, I wish to thank the good people of Brevard and Transylvania county for their loyal support and hearty co-operation in the work of the Home Demonstration Agent.

OBITUARY — REV. E. ALLISON

Whereas it has pleased our Heavenly Father in his infinite wisdom to remove from our midst into that Celestial Lodge, Eternal in the Heavens our beloved Brother, Rev. Elijah Allison,

1. And whereas we miss his presence among us and the example of his pure and spotless character, but we comfort ourselves feeling that the Supreme Architect of the universe in his great mercy and loving kindness has regarded our brother in the great beyond.

2. Therefore, be it resolved that Dunes Rock Lodge No. 267 A. F. A. M. has lost a faithful and much beloved member who by his upright manner of living has set us an example worthy of our emulation.

3. That his family has lost a devoted father and the community has lost a valuable citizen who by his many virtues won and held the esteem of those who came in the circle of his acquaintances. That we tender to his family our deepest sympathy in their great bereavement.

4. That a copy of these resolutions be spread upon the minute book of Dunes Rock Lodge No. 267, a copy be sent to the family of our deceased brother and a copy to the Brevard News for publication.
