in turn they sold him as a slave. III. Cast Into Prison (Genesis 39). While serving as a slave he was falsely accused and sent to prison. Joseph's character had so impressed Potiphar that he doubted his wife's charges against him. If he had believed her he would have put this Hebrew slave to death

IV. Made Prime Minister (Genesis 41). Though falsely accused and imprisoned the hand of the Lord was so upon him that he was soon exalted to the throne of Pharaoh,

IF SICK, BILIOUS! START YOUR LIVER

Don't Take Calomel! "Dodson's Liver Tone" Acts Better and Doesn't Gripe, Salivate or Make You Sick-Don't Lose a Day's Work—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad

or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want von to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is entirely vegetable, therefore it can not salivate or make you sick.

How often have you heard the expression, "I can't drink coffee; it doesn't agree with me!" Yet there is an undeniable satisfaction in having a hot drink

Postum supplies satisfaction and safety, both. No need to deny yourself the pleasure of this fragrant, invigorating cup through fear of nervous disturbance afterward. Postum is rich and comforting, and there's nothing in it that can harm anybody.

Why not follow the example of the thousands who have left off the risks of coffee, for the assured satisfaction and safety of Postum?

Your grocer sells Postum in two forms: Instant Postum (in tins) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages) for those who prefer to make the drink while the meal is being prepared; made by boil-
