

# What Will You Do About It?

Are You Going to Farm With the Same Dilapidated Machinery This Year As You Did Last or Are You Going to Buy New Ones?

If you are in the market for New Implements you want the **BEST THAT IS THE ONLY KIND WE HANDLE**

Here Are Some of Our Plows in Stock

These are renowned W. J. Oliver Plows, which are used largely in every farming district in this country, and

they have given universal satisfaction. These plows are made of the very best material obtainable, and are designed and made by experts who know the different phases the best plow should have and who inaugurate it into every implement

turned out by this well known plow manufacturer. No farmer makes a mistake when he substitutes this plow for a worn out implement or one of another make. We also supply new parts, and if we do not have in stock what you need we can secure it for you in a few days. Come in and look over our farming implements.

## How About a Corn Planter?

The old-fashioned way of dropping seed corn by hand and various other seed played out soon after the planter was invented. Every up-to-date farmer has installed a planter and can deposit the seed in the bed in a modern way ten times as fast as the old method. If you are still a hand planter stop wasting your time this way and get a modern one or two-horse planter from us.

### THE HARDWARE QUESTION SOLVED Do You Need More Tools

Those little odd jobs of construction or repair that seem to cry for attention all the time will be much easier to do if you have the necessary tools. And you'll find that you can accomplish so much more when properly equipped.

No matter what you need—saw, plane, chisel, steel square or screw driver—we can fill your wants. In edged tools we carry only the kind that cut—the best quality of steel—the only kind of edged tools you want.
