H. R. MIRITREE THE PROPERTY OF THE PROPERTY

Planning one's home is see of helps with delight in some and Some people regard planning a for easing read drudger; and do no the receible involved among an involutional risk purious. This should not be. The populate the's here is the beginning of a green after these There are such a married of them's to be mousid really of the target of the household, with a those having by share a for risk.

Is Laziness keeping You in the clutch of the Landlord

As Mr. Kibber says in the above chipping: "Young people regard adam ing a home as a dradgery and so make the trouble involved an excuse to: continued rent paying."

If you are one of those people, you are letting taxlays keep you in the clutch of the landford-letting it won you of several bracked dollars a year, not to mention the peace, pleasure and comfort found only in a Home of Your Own!

Any home owner will tell you, as does Mr. Kibber, that planning on 's home is the beginning of a great adverter

Are you going to miss out on one of the most pleas trable experience life merely to avoid going to a little trouble-trouble that really isn't trouble at all? Are you going to let people say of your "lie's too blamed lazy and slow to own a home of his own."

After you think it over we don't believe you will. We believe that you will want to begin at once to plan a home of your own.

We cordially invite you to come to our place of business and, without obligation, talk over with us
