

When You Catch Cold Rub on Musterole

Musterole is easy to apply and gets in its good work right away. Often it prevents a cold from turning into "flu" or pneumonia. Just apply Musterole with the fingers. It does all the good work of grandmother's mustard plaster without the blister.

Musterole is a clean, white ointment, made of oil of mustard and other home simples. It is recommended by many doctors and nurses. Try Musterole for sore throat, cold on the chest, rheumatism, lumbago, pleurisy, stiff neck, bronchitis, asthma, neuralgia, congestion, pains and aches of the back and joints, strains, sore muscles, bruises, chilblains, frosted feet—colds of all sorts.

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole. 25c and 63c, jars and tubes; hospital size, \$3.00.

Use for cuts, burns, sores and wounds. Prevents infection. Cleanses and heals.

Black-Draught Proves Valuable Remedy for Liver and Stomach Troubles, Says North Carolina Parents.

North Carolina parents write in appreciation of the Black-Draught, a powerful purgative, which has been found to be a most valuable remedy for liver and stomach troubles. The following is a typical letter from a parent:

"My child, a boy, aged 10 years, has been suffering from liver and stomach troubles for several months. He has lost his appetite and is very thin. I have tried many remedies, but nothing has helped. I saw an advertisement for Black-Draught and bought a box. I gave him one dose and he felt better. I gave him another dose and he was completely cured. I am very grateful to you for this wonderful medicine."

Black-Draught has been a popular remedy for liver and stomach troubles for many years. The million packages are now good for nothing as a result of its proven merit.

They kept their quarrel as a secret. They kept their quarrel as a secret. They kept their quarrel as a secret.

"It Keeps Me Awake Nights"

is the familiar confession of the tea and coffee drinker. The reason is that both tea and coffee contain caffeine—a drug which is the foe of night-time sleep and day-time energy.

Postum, the pure cereal beverage, is delicious and satisfying—and free from all the elements which so many users of coffee and tea find disturbing to nerves and digestion.

Postum contains no stimulant to keep you awake nights.
