Are You Discouraged, Blue?
This Advice Is of Vital Importance
to You

Columbia, S. C.—"I was suffering
with a breakdown in health, and be-
came discouraged. I suffered with
bearing pains and pains down through
my limbs, my appetite was poor, and
I became frail and weak. Nothing I
took seemed to do me any good. One
day my husband got one of Dr.
Pierce's pamphlets and we soon de-
cided to try the 'Favorite Prescription.'
My husband bought a half
dozen bottles to start with. I began
to improve at once and before these
bottles were gone I was perfectly well
and have been well ever since."—Mrs.
Hattie Westinger, 205 Sumpter St.,
Your health is the most valuable
asset you have—do not delay but
obtain this "Prescription" now.

At all drug stores in tablets or liquid.

Douglas Fir Seeds Sent to France

The American Tree Association of Washington, D. C., has shipped to
France millions of Douglas fir seeds to help reforest the war-torn sections.
This shows little Alex Pounds instructing Louis C. Carou, first bridge officer
of the Savoie, to take good care of the seeds on the voyage.

HIGHLY PAID KNITTER

Mrs. Marie Heunisch of St. Paul,
Minn., has been proclaimed the cham-
pion knitter of the Northwest. She is
seventy-nine years old and her work
brings from \$100 to \$500 per knitted
piece, more perhaps than many pro-
fessional men receive for their work.
She rarely spends more than ten days
on any one piece, but her working
day is from 11 a. m. until 4 a. m.,
about twice as long as an average
workman's day.

for Economical Transportation

The Economical Quality Car

Chevrolet prices are not the lowest on the market,
yet Chevrolet economical transportation averages
lowest in cost. This average cost considers the pur-
chase price, interest on investment, depreciation and
all operating and maintenance costs.

A detailed comparison with any other car in the low
priced field will convince you that Chevrolet is the
best buy because of its superior quality and because
the purchase price includes full equipment.

More than a million Chevrolets are now in use.
Twelve huge plants are now building them at the
rate of twenty-five hundred per working day. Nearly
one-half million Chevrolets were bought in 1923
—far exceeding in number the sales of any other
quality car.

Thus, our statements have the strongest possible
backing, namely, the faith and patronage of the
American people who know automobiles and know
practical values better than any other people on earth.

Let any one of our seven thousand dealers show you
our seven types of cars and explain how easy it is to
get one and enjoy its use.

**"Concrete
Around the
Home"**

Everyone who wants to improve his place
or save money around his farm, needs the
new Portland Cement Association booklet
"Concrete Around the Home."

It tells in everyday language the easiest,
simplest and most economical way to use
Concrete for making drives, walks, septic
tanks, garages and other permanent im-
provements. Easily followed instructions
give you all the details necessary for esti-
mating materials, mixing, placing and
finishing the Concrete.

"Concrete Around the Home" is only one
of our many booklets available without
charge to those interested in using Concrete.

If you are planning any of the money-saving
concrete improvements seen everywhere now-
adays, such as a permanent floor, basement, or
foundation for your buildings, a manure pit, feed-
ing floor, corncrib or silo, we have a booklet on
the subject with complete instructions for build-
ing it of Concrete.

Remember this service is free. The Portland
Cement Association has 28 offices, listed below,
and one of them is your office—the one nearest you.

Find which one it is, and write today about
the concrete improvements you are planning.

There are people in that office whose business
it is to help you save money by making it easy
for you to use concrete. Let them show you how
they can help you.
