

THE THIRTY - FIRST SERIES

OF

THE BREVARD BUILDING & LOAN Association

IS NOW OPEN

It is hoped that all of our people who can possibly do so will join this SERIES. It is not only an easy and profitable way to save money; but every dollar placed with the Association works night and day for the upbuilding of Brevard and Transylvania County.

It offers an easy way to the thrifty and deserving to become home owners. The more people there are who own their own homes, the better place this will be in which to live. It will mean increased prosperity for all.

To those with savings already accumulated "Paid Up Stock" in the Association offers a safe and sure investment at a guaranteed rate of Five Per Cent absolutely free of all taxes.

The management will gladly give any further information desired.

The following official statement to the Department at Raleigh on the 1st of January shows that the Association has doubled in size during the past two years:
