REVIEW-ABRAHAM TO SOLOMON

GOLDEN TEXT-The Lord is mercia

ful and gracious, slow to anges, and plenteous in mercy.—Ps. 103.8.

PRIMARY TOPIC—Selected Stories of the Quarter.

JUNIOR TOPIC—Great Events of the

Querter.
INTERMEDIATE AND SENIOR TOP-IC—Chief Persons of the Quarter.
YOUNG PEOPLE AND ADULT TOPIC—From Abraham to Solomon.

Since the needs and capacities of the various classes differ so widely, no set method or form of review is possible. For adult classes two methods are suggested. I. Central Scenes of the Lessons.

Have the pupils prepare brief essays or speeches of two or three minutes on the outstanding historical scenes of

each lesson. The following subjects are taken from Peloubet's Notes: 1. Abraham Sets Out for Haran.

2. Jacob Starts for Egypt. 3. Moses at the Burning Bush. 4. Moses Blds the Israelites Cross

the Red Sen. '5, Moses Receives the Law on Sinal. 6. The Debate at Kadesh-narnea.

7. The Last March Around Jericho. 8. Gideon Cuts Down His Army.

9. Samuel's Victory at Mizpeh. 10. Saul's Return From the Campaign gainst the Amalekites, 11. David Writing the Twenty-third

Psalm. 12. Solomon Dedicating the Temple,

II. Summary of the Teaching of Each

Lesson I. Abraham was called of the Lord to be the head of the nation through whom the Redeemer was to come, and Palestine was the chosen land. Israel, God's chosen and most favored hation, the nation to whom He came nearest and gave most, in order that it might pass on its goodness to the other nations, was given the most strategic position in the earth. Palestine is practically the center of the earth. It is to be the capital of the world when Jesus shall reign,

Lesson II. Israel's sojourn in Egypt welded them into a nation, and taught them a new way to trust God. Through God's providence Joseph was sent to Egypt to preserve Israel until they were ready to enter Canaan.

Lesson III. When the purpose of the sojourn in Egypt was about to be accomplished God prepared a man, Moses by name, to deliver them from bondage and lead them to the Promised Land. God always has his servants in training, so that when the exigency arrives the fit man is ready to execute His wift.

Lesson IV. Pharaoh saw the Israelites in a straitened position, and therefore madly pursued them. Having seen the Israelites go through the Red sea dry shod, the Egyptians insanely thought they could follow in their wake. Ruin shall surely follow those who in unbellef attempt to follow in the path of those who walk by faith.

Lesson V. Because of God's unparalleled goodness to Israel, they were under solemn obligation to render obedience to His commandments.

Lesson VI. Through unbelief a tour of investigation was made before entering Canaan. Against the earnest protest of Caleb and Joshua the people refused to enter the land. Because of this God sent them to wander in the wilderness for forty years.

Lesson VII. Upon the death of Moses Joshua was called to lead the people into the land. Though God's servants die His work goes on.

Lesson VIII; While Joshua and the elders of his generation lived, the people remained faithful to God. When they sinned God sent them chastisement by permitting the surrounding nations to oppress them. When they repented and cried to God deliverers in the form of judges were given.

"Lesson IX. Under the judges the nation degenerated into a condition of aparchy. Through the ministry of Samuel, the last of the judges, the nation was brought back to God.

Lesson X. Because of their desire to be like other beople Israel demanded a king. Saul was given in response to this request. Though blessed with a great opportunity he forfeited God's fa-God removed him from being king and his career ended in disgrace.

Lesson XI. David, a shepherd lad, so prepared himself while looking after ha father's sheep, that at the critical moment he slew the .Philistine giant. God elevated him to be king, and through his leadership the kingdom was thoroughly organized and all his enemies subdued.

Lesson XII. Because Solomon sought wisdom instead of riches God greatly honored and blessed him,

Laws are not invented; they grow out of circumstances.-Azarias.

Extreme Rigor. An extreme rigor is sure to arm verything against it .- Burke.

Prefer to Be Happy. 1:0 many wish to be happy before ecoming wise .- Mad Necker.

Gone and Past Help. What's gine and past help should e pust grief -Shakespeare.

## JOYS OF MOTHERHOOD

Often Prevented by Female Trouble

Lydia E. Pinkham's Vegetable Compound brings Joy to Homes by Removing Cause of Trouble

Brooklyn, N.Y.,—'I was working after I got married and the young lady who worked next to me asked me if I had any intentions of having a child. I told her I would be the happiest woman on earth if I could become a mother, but I always had terrible cramps, backaches and headaches. She then told me of a woman she knows who took Lydia E. Pinkham's Vegetable Compound for the same troubles and it helped her greatly. I took about a half bottle and found that the following month I did not suffer any pain, so I kept on taking it. I have a wonderful baby boy six months old and he is as strong and fat as any one could wish a baby to be. I still take the Vegetable Compound regularly because I have looked fine all the time and felt fine and my mother told me that was the reason. mother told me that was the reason. I will be glad to have you publish my testimonial with my name and address."—Mrs. EDWARD WERBECK, 1824 Greene Avenue, Brooklyn, N.Y.

A man and a woman bather detached themselves from the swimmers and hurried toward the bath-houses. Their teeth chattered and waves of "goose flesh" rippled up and down their bare arms and legs, much as the surf was breaking over the ice-incrusted sands.

"How's the water?" asked a by stander.

"Co-oo-ld !" stuttered the woman. "Did you enjoy the swim?" "No-00-000!"
