### FOR SHERIFF:

Friends wish to announce the candidacy of Ed. Gillespie for Sheriff and tax collector of Transylvania County, subject to the action of the Democratic Primary this coming June, 1924.

### FOR SHERIFF:

Having been solicited by many friends for some time to become a candidate for sheriff and tax collector for Transylvania County, and having considered and re-considered the matter from various standpoints, I hereby announce myself a candidate for the office subject to the wishes of the people in the Democratic Primary of June 7th, 1924.

I realize that the people of this County have given me splendid support in the past for many places of trust and confidence, and I would be ungrateful if I did not recognize this undeserved support. I have tried all these places to which I have been elevated in the interest of all the people and to the best of my skill and ability.

If nominated and elected I promise the people of the county my best service and to make them a faithful and efficient officer.

If the people of the County want me I want to assure them that their support will be appreciated, and "with malice toward none" but with good will to all, I am yours respectfully,

W. M. HENRY.
