OR DOES IT SAY?

"WELL, WHAT YOU NEED'S JUST A LITTLE TOUCH HERE AND THERE! A NEW HAT FOR INSTANCE, ONE THAT'S NOT QUITE SO INDIFFERENT—JUST THAT WOULD TONE UP YOUR APPEARANCE MOST AS MUCH AS AN ENTIRE NEW OUTFIT."

Who is Louie Galloway, of Balsam Grove, N. C.? Candidate for Sheriff

To my fellow-citizens of Transylvania County:

Please do not think that I am trying to tax your patience with an "auto-biography" of myself, but realizing that there are many democratic voters in the County whom I do not know personally, and whom I shall perhaps be unable to see before the primary, I feel that I owe to such, because of the fact that I am asking their support for the nomination for Sheriff, just a word of "self introduction" that they may know, indirectly at least, for whom they are casting their ballots.

I might say in the outset that I do not come from a family of politicians and office-seekers, although my father, J. M. Galloway, is at present a member of the Board of Education a position, however, which he did not ask for but to which he was drafted by the state Legislature. I am a grand son of W. P. Galloway, late, of Gloucester township, who was very aptly called, by some one in writing of him, the "seed corn of democracy" in the republican stronghold of Gloucester, which he really was for many years; he having, at one time, been the only democratic voter in the entire township. My grandfather lived to see the number of his fellows increase, from one to a scant "bakers dozen" before leaving Gloucester to make his home near Brevard where he spent his last years near the town he helped to establish, and among those friends whom he had stood faithfully by in many a hard-fought political contest.

Time has dealt none too generously with us during these past twenty years, speaking from a political viewpoint. While the democratic strength is considerably greater than it was twenty years ago, it is also true that with the passing of my grand father A. J. Galloway, a more distant relative, the Robinsons, the Smiths, Prices, Thos. Hayes and many others I might name who in their time helped to compose the "old school" of democracy, their party sustained an irreparable loss, as did also the educational, moral and religious interests of the community.

I do not claim to be a worthy successor to any of these departed pioneers, however I took my place in the depleted ranks of democracy when I was nothing but a boy and together with others no less devoted to the cause we deemed worthy of our best efforts, we have "carried on" until today we claim some thirty to forty democratic voters in

Gloucester.

Soon after last democratic primary I was solicited to make the race for sheriff when the time for nominations should again come around. Recently still others of my friends have urged that I enter the race, a number of whom do not reside in Gloucester. I have acceded to their requests and in doing so have taken the first step towards that goal to which my strongest desires and ambitions have

since early manhood. I am not ashamed to admit that I long have cherished an ambition to be sheriff of Transylvania County. Whether or not I shall attain to this goal is a matter resting entirely with the democratic voters, in whose hands I am quite content to rest my case, respectfully soliciting the support of all good citizens, both ladies and gentlemen.

Respectfully,
LOUIE GALLOWAY.
