Pinkham's Vegetable Compound

Rochester, Minnesota.—'I had a very serious operation and it seemed as if

I could not get my health back after it. I suffered with pain almost constantly. My sister came to help take care of me, and she was taking Lydla E. Pinkham's Vegetable Compound for nervousness and a run-down condition. She had me try some of it, and in a very few days' time I began to feel better. In two weeks I hardly knew myself and after taking a couple of bottles more I was up and helping around, and now I am strong and healthy again and am still taking it. It is a pleasure for me to write this to you, and I hope that many other women who are suffering like I was will find out about your medicine. I will give any information I possibly can.'—Mrs. JAMES WILKE, 83 E. Center Street, Rochester, Minn. Remember, the Vegetable Compound has a record of fifty years of service and thousands of women praise its merit, as does Mrs. Wilke.

I. Elisha, Elijah's Successor (I Kings 19:15-21; II Kings 2:2-15.)

1, His Anointing (I Kings 19:15-21), In obedience to the Lord's command, Elijah went forth from his hiding place in Horeb to anoint Elisha as prophet. While Elisha was plowing with oxen Elijah passed by and cast his mantle upon him.

2. His Training (II Kings 2:2-8), Elisha came into the life of Elijah in the field, where he called him forth from the plow, and there was thenceforth real friendship between them, such that Elisha clung to his master to the very last, in spite of three urgent requests for him to remain behind.

3. Elisha's Double Portion (II Kings 2:12-15).

(1) Elisha's cry (v. 12). "The charlot of Israel, and the horsemen thereof." This implies that Elijah was the true national, defense.

(2) Elisha takes his place (v. 18). The taking of Elijah's mantle indicates his assumption of his place as a

1. The Trenches Filled With Water (Chap. 3:16-20). Jehoram, in alliance with the king of Judah, went against the Moabites. His army was in great straits for lack of water. 8. The Shunamite's Son Restored (Chap. 4:8-37). Because of hospitality shown Elisha, he sought to help his hostess by promising that the Lord would give her a child. The joy brought by the fulfillment of the prophet's announcement was shortlived, for while yet but a lad he was taken away by death. In her sorrow she went to Elisha and he restored the child's life.

4. Heals Deadly Pottage (Chap. 4: 88-41). In time of famine they made a vegetable soup from whatever growing plants they could find. By mistake a polsonous plant had been gathered. By putting meal into the pot, the soup was made healthful.

5. Fed One Hundred Men (Chap 4: 42-44). To the astonishment of his attendant, he fed one hundred men with twenty barley cakes and a sack of uncooked grain.

6. He Healed Naaman, the Leper (Chap. 5:1-19). At the instance of a captive Jewish maid, Naaman, the great Syrian general, was brought into touch with Elisha. Without even coming to see Naaman Elisha, through his servant, bade him dip seven times in the Jordan. He obeyed and was instantly healed.

7. Recovers the Lost Axe (Chap. 6:1-7). While the sons of the prophets were cutting timber to enlarge their quarters, the head of a borrowed axe flew from the handle and was lost in the muddy waters. When shown the place Elisha cast a stick into the water and the axe floated to the sur-

III. Elisha's Heavenly Defenders (II Kings 6:8-23). This shows the secret of Elisha's

power. 1. The Syrian King Sorely Troubled (vv. 8-12): The king directing warfare against Israel. He located camps so as to intercept Israel's army. Through Elisha God made known the enemy's movements (v. 9).

3. The Syrian Army Trapped. Elisha led the Syrian army into Samaria. He ordered that they should be fed and sent back to their land.
