FOR REPRESENTATIVE

Democrats of the county take pleasure in presenting to the voters the name of Welch Galloway, of Brevard, as a candidate for Representative from Transylvania county, N. C., in the next General Assembly.

He does not and would not seek this nomination, and only after prolonged consideration did he agree to allow his name to be used. He feels that if a united party calls him to render service in the above capacity, he would yield to the wishes of friends throughout the county, even tho it means some sacrifice on his part to do so.

Let a united party stand behind a strong, clean ticket, and the Democrats will win.

Many Voters.

is a very strict town ordinance which if properly enforced would keep Brevard as clean as a pin. Read this ordinance to our policeman and he will see that it is up to him and that he has full power to cause all property owners to keep all premises within the town limits perfectly clean, and healthy and that he and the property owners are liable to a fine for any failure or failures in this respect. A citizen of and a well wisher for Brevard.

ADVERTISING THE NEWS SPLENDIDLY

If someone else will just request the merchants of Brevard not to support the News or to refuse to pay for their ads and printing; we don't believe The Brevard News could hold the advertisements. The citizens of Brevard are proud of their newspaper and the more it is knocked the better they support it—it pays to advertise.

K. K. K. BEING ORGANIZED

This week the Ku Klux Klan is being organized in this community it is reported.

No doubt such an organization will be a powerful influence in our community.

It depends upon the personnel of the organization whether this influence will be for good or evil.

If the right sort of citizens are made members to begin with then it will be welcomed—if not there will be misunderstandings.

IN MEMORY OF MISS MARY JUSTUS, WHO DIED MARCH 8, 1924.

In the life of every home there comes a time when one hand is removed from the wheel. One voice accustomed to advise or suggest is silenced. Such a moment has come in the home she made, and she is missed.

In the passing of Miss Mary, the community in which she lived has lost truly "A Good Woman," an invincible, honest, spotless soul. She was not a brilliant woman, but was more. She was a quiet gentle christian, doing her duty when and wherever it came to her hand.

I knew Miss Mary, almost from the cradle to the grave, she was but a few months old, when I knew her parents. And all along her path through life, she was a neighbor and friend.

When visiting in her home, she met you with a quite sweet welcome she loved her friends and especially little children, they will miss her too. She was a noble character, one worthy of imitation. And while our hearts are sad, and we miss her, we know she has gone to enjoy the glories of Heaven.

To the bereaved ones we extend our sincere sympathy, may they be sustained by Him who doeth all things well.

Mrs. M. Duckworth.

TENT MEETING

The revival meeting under the tent being conducted by the Rev. H. W. Hawkins, under the auspices of the Wesleyan Methodist church continues with increased interest. The powerful heart-searching messages are going forth with no uncertain sound and as a result deep conviction is gripping the hearts of the hearers and some are finding their way to the altar praying their way through to victory over sin with their mouths open in testimony and praise to God.

The meeting will continue all this week at 7:45 p.m. each evening. The attendance has been real good but there is room for you to have a place in the hard work, and joy which follows with victor achieved. So come.

H. W. Hawkins, pastor.

less men. Every building should have its premises cleaned and vacant lots should be cleaned and should be kept clean, all garbage, paper, waste, tin cans should never be allowed to "room at large" everything of this nature should be put in containers and kept out of eye sight till removed.

After the next cleaning never let a "clean up" cry be necessary. Keep every inch within the corporate limits of Brevard clean, this will mean health and wealth, nothing invites sickness more than a dirty town. Nothing depreciates real estate values more than dirty and neglected town lots and fields. There

TO THE DEMOCRATS OF TRANSYLVANIA COUNTY

A primary for the nomination of the Democratic Candidates is to be held June 7th., and several good men have their names before the people of the County for the nomination.

In the race for Representative, Hon. W. H. Duckworth is one of the candidates and we feel that he is the man who should receive the support of the Democrats.

In 1922 when the Party needed a leader, W. H. Duckworth came forward and headed the ticket and led the Party to nearly a complete victory. Mr. Duckworth's record in the Legislature, is one that not only Mr. Duckworth, but that Transylvania County can be proud of.

It is impossible for a man to please everybody and of course there were some things that Mr. Duckworth did that did not satisfy certain men and there were some things that certain men wished him to do that he did not do that so displeased those men.

No man has ever filled the hard position of Representative to the satisfaction of everyone, and if our Representative should do that, he would not accomplish anything.

Mr. Duckworth represents the highest type of citizenship in Transylvania County and is a Christian gentleman who did at the last Session of the Legislature, and who will at the next Session of the Legislature, if elected, represent Transylvania County fearlessly and for the best interest of the entire County.

He does not belong to any clan or clique, but is the Representative of the whole people of the County. He is what is called a "dirt farmer" knows the needs of the farmer and the laboring man and still yet, he is not a demagogue who tries to become popular by fighting the hard working and prosperous citizen. There is no need of changing our Representative.

And further, it has always been the custom in this County, as well as in other Counties in the State, to give an officer a second term, and it is only right and fair to Bill Duckworth that he should be re-nominated and sent back to Raleigh. He has learned how to do and what to do and can make us a better Representative than a new man can do at this time.

We therefore ask all good Democrats to do what they can for Mr. Duckworth in the coming Primary. Respectfully, Many Democrats.
